

# INSTANT INDICATORS - REDDING INSTANT INDICATOR/6.5X47 LAPUA

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

**REDDING INSTANT INDICATORS** The Redding Instant Indicator is a precision made tool that allows a hand loader to quickly compare headspace and bullet seating depth within .001". The Instant Indicator provides an extremely quick method for comparing bullets, seating depths, fired cases, sized cases, trim lengths and loaded ammunition for uniformity. Easily perform any of the following tasks: **FEATURES:** Sort bullets for uniformity Sort cases fired in two or more rifles Sort sized cases for uniformity Set up sizing die correctly Compare sized cases to fired cases to determine the amount of headspace Check uniformity of shoulder bump Check bullet seating depth uniformity Sort loaded ammunition for uniformity Determine when cases need trimming Check trim length uniformity Instructions Included Supplied with one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge and complete instructions. The Instant Indicator fits the cartridge listed in the description, however it may be used for a family of cartridges with the same shoulder angle.

## Attributes

- Name: [REDDING INSTANT INDICATOR/6.5X47 LAPUA](#)
- Manufacturer: [REDDING](#)
- Product no.: 749017220
- Mfr. No.: 17479
- Caliber: -
- Cartridge: 6.5 x 47 mm Lapua
- Delivery weight: 0.454kg
- Shipping height: 51mm
- Shipping width: 102mm
- Shipping length: 152mm
- UPC: 611760174797

# Safety Instruction Guide for Redding Instant Indicator

## Introduction

Thank you for choosing the Redding Instant Indicator for your reloading needs. This precision tool is designed to help you efficiently compare headspace and bullet seating depth, ensuring uniformity in your ammunition. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the workspace is clean and free of obstructions.
- Keep the tool out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when using the tool.
- Regularly inspect the tool for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Redding Instant Indicator only for the cartridges specified in the product description (6.5 x 47 mm Lapua).
- Ensure that the tool is properly calibrated before use to avoid incorrect measurements.
- Do not exceed the recommended limits of the tool; always check for uniformity within .001".
- Avoid using the tool in wet or humid conditions to prevent rust and corrosion.
- Do not modify or alter the tool in any way, as this may compromise its safety and effectiveness.
- Ensure that the tool is used on a stable surface to prevent accidental drops or misalignment.

## Instructions for Installation and Usage

### 1. Unpacking the Tool

- Carefully remove the Redding Instant Indicator and its components from the packaging.
- Ensure that all items are included: bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and instruction manual.

### 2. Setting Up the Tool

- Select the appropriate bore diameter bushing for your cartridge.
- Attach the surface contactor and shoulder contactor securely to the base of the tool.
- Ensure that the headspace gauge is calibrated correctly.

### 3. Using the Tool

- Place the fired case or bullet into the tool.
- Adjust the contactors to ensure proper alignment with the case or bullet.
- Take measurements for headspace and bullet seating depth, ensuring that you do not exceed the specified limits.
- Record the measurements for comparison and uniformity checks.

### 4. PostUse Care

- Clean the tool after each use to remove any debris or residue.
- Store the tool in a dry, cool place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the Redding Instant Indicator and its components in accordance with local regulations.
- Do not dispose of in regular household waste if the product is damaged or contains hazardous materials.
- Consider recycling options where available to minimize environmental impact.

By following these safety instructions, you can ensure a safe and effective experience with the Redding Instant Indicator. Thank you for prioritizing safety in your reloading activities.
