# Safety Instruction Guide for POWDER TRICKLER MEC RELOADING POWDER TRICKLER

## Introduction

Thank you for choosing the POWDER TRICKLER from MEC Reloading. This guide provides essential safety instructions and operational guidelines to ensure the safe and effective use of your Powder Trickler. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the Powder Trickler by following these guidelines:
  - Only use the Powder Trickler with smokeless powder. It is not designed for black powder.
  - Always use the product on a level surface to maintain stability during operation.
  - Keep the Powder Trickler out of reach of children and vulnerable individuals.
  - Regularly check for any wear or damage to the product before use.
  - Clean the powder reservoir and tube with alcohol periodically or when changing powders to prevent contamination.
  - Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- To ensure safe operation of the Powder Trickler, please observe the following precautions:
  - Always handle the Powder Trickler with dry hands to prevent slips.
  - Avoid overfilling the powder hopper to reduce the risk of spills.
  - Do not attempt to modify or repair the Powder Trickler; contact the manufacturer for any issues.
  - Maintain a clean workspace free from clutter and flammable materials.
  - In case of accidental spillage, clean the area immediately to avoid slips and falls.

## Instructions for Installation and Usage

- Follow these steps for the correct installation and usage of your Powder Trickler:
  1. Place the Powder Trickler on a stable and level surface.
  2. Fill the powder hopper with the desired smokeless powder, ensuring not to exceed the maximum fill level.
  3. Use the brass straw to dispense the powder. Turn the handle gently to control the flow.
  4. Measure the desired weight of powder as it is dispensed.
  5. After use, empty any remaining powder from the hopper and clean the reservoir and tube with alcohol.

## Disposal Instructions

- Proper disposal of the Powder Trickler and any associated materials is crucial:
  - Dispose of the Powder Trickler in accordance with local regulations for nonhazardous materials.
  - Ensure that all remaining powder is safely disposed of before discarding the product.
  - Do not dispose of the product in regular household waste if it contains any hazardous materials.

## Contact Information for Further Support

- For any inquiries or support regarding the Powder Trickler, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe

and effective reloading experience with your POWDER TRICKLER.
