

RIFLE CASE HOLDERS - L.E. WILSON 338 NORMA MAGNUM NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 338 Norma Magnum New Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the case holder.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the case holder for any signs of damage or wear before use.
- Keep the case holder out of reach of children and vulnerable individuals.
- Use the case holder only with compatible cases as specified in the product description.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when trimming or reaming cases.
- Use the case holder in a wellventilated area to avoid inhalation of dust or debris.
- Keep hands and other body parts away from moving parts during operation.
- Do not attempt to modify or alter the case holder in any way.
- Ensure that the work area is clean and free from any obstructions.
- Avoid using excessive force when handling the case holder and cases.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before beginning the process.
- Ensure that the case holder is compatible with the cases you intend to use (New, Fired, Neck Sized, or Full Length Sized).

2. Installation:

- Secure the case holder in place according to the manufacturer's specifications.
- Ensure that the case holder is firmly attached to the trimmer before use.

3. Usage:

- Insert the case into the case holder, ensuring it is seated properly.
- Follow the trimmer's instructions for trimming, primer pocket reaming, neck reaming, and deburring.
- Monitor the trimming process closely to ensure accuracy and uniformity.
- Remove the trimmed case carefully from the holder once the process is complete.

4. PostUsage:

- Clean the case holder after each use to remove any debris or residue.
- Store the case holder in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the case holder and any associated materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for more details.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience!
