

# BUSHING FULL LENGTH DIES - L.E. WILSON 6MM PPC MATCH BUSHING FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

# Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 6MM PPC MATCH BUSHING FULL LENGTH SIZING DIE

## Introduction

Thank you for choosing the BUSHING FULL LENGTH DIES L.E. WILSON 6MM PPC MATCH BUSHING FULL LENGTH SIZING DIE. This guide provides essential safety instructions to ensure safe and effective use of this product. Please read this guide carefully before use and keep it for future reference.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Always follow the instructions provided to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any recalls.
- **Online Shopping:** Ensure you purchase this product from reputable online platforms that comply with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please seek assistance from the designated EU contact for this product.
- **Rapid Alerts:** Stay updated on any unsafe product alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die is designed for reloading ammunition. Improper use may lead to personal injury or property damage.
  - Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- **Avoiding Hazards:**
  - Ensure the die is securely attached to the reloading press before use.
  - Do not exceed the recommended specifications for the die.
  - Keep the work area clean and free from obstructions to prevent accidents.
  - Store the die in a dry and secure location when not in use to prevent damage or injury.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the reloading press is turned off and unplugged.
  2. Attach the BUSHING FULL LENGTH SIZING DIE to the reloading press by screwing it into the standard 7/8ths reloading press.
  3. Adjust the decapping rod to the desired depth before securing it in place.
  4. Insert the appropriate neck bushing (sold separately) to achieve the desired neck tension.
- **Usage:**

1. Place the empty cartridge case into the shell holder of the reloading press.
2. Operate the press to size the case neck and body simultaneously.
3. Ensure that the die is adjusted correctly to leave 3/16" at the bottom of the case neck unsized.
4. After use, carefully remove the cartridge case from the shell holder.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in general waste. Check for recycling programs that accept metal components.
- Ensure that any hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the BUSHING FULL LENGTH DIES L.E. WILSON 6MM PPC MATCH BUSHING FULL LENGTH SIZING DIE, please contact the appropriate support channels as outlined by your retailer or manufacturer.

Thank you for your attention to these safety guidelines. Enjoy safe and successful reloading!
