

# BUSHING FULL LENGTH DIES - L.E. WILSON 6.5 CREEDMOOR

## BUSHING FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

# **BUSHING FULL LENGTH DIES L.E. WILSON 6.5 CREEDMOOR BUSHING FULL LENGTH SIZING DIE Safety Instructions**

## **Introduction**

Thank you for purchasing the L.E. Wilson Bushing Full Length Sizing Die for 6.5 Creedmoor. This product is designed to provide precision and consistency in reloading ammunition. Please read this safety instruction guide carefully to ensure safe and effective use of the die.

## **General Safety Guidelines**

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that the reloading press is securely mounted and stable before use.
- Keep the work area clean and free from distractions.
- Wear appropriate safety gear, including safety glasses, to protect against metal shavings and debris.
- Store the die in a dry, secure location away from children and unauthorized users.
- Regularly inspect the die for wear or damage before each use.

## **Specific Safety Precautions for Use**

- Be cautious of sharp edges on the die and associated tools.
- Ensure the die is properly adjusted before use to avoid oversizing or damaging cases.
- Use only compatible neck bushings as recommended by the manufacturer.
- Do not exceed the recommended load limits for the die and reloading press.
- If you experience any unusual noise or resistance during operation, stop immediately and inspect the die.
- Always follow safe reloading practices, including checking for double charges and ensuring proper powder measurements.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Secure the die in the reloading press using the provided lock nut.
- Ensure the die is tightened adequately but do not overtighten as this may cause damage.
- Select and install the appropriate neck bushing based on your desired neck tension.

### **2. Usage:**

- Insert a clean, resized case into the shell holder of the press.
- Adjust the decapping rod to the desired depth for decapping the primer.
- Pull the handle of the press to size the case. Monitor the process to ensure proper sizing.
- After sizing, inspect the case for any issues, such as cracks or deformation.
- Repeat the process for additional cases as needed.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not discard metal parts in regular waste. Check with local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding product safety or instructions, please refer to the manufacturer's website or contact the designated support center.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the L.E. Wilson Bushing Full Length Sizing Die. Always prioritize safety and adhere to recommended practices for the best results. Thank you for choosing our product.
