

RDF REDUCED DRAG FACTOR 6MM (0.243") BULLETS - NOSLER RDF 6MM (0.243") HOLLOW POINT BOAT TAIL 105GR 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Flattest Shooting Match Bullet On The Market For those wanting to squeeze the most performance from their competition rifle, Nosler's new RDF (Reduced Drag Factor) match bullet line is the ideal choice. Nosler's RDF line was designed from the ground up to provide exceptionally high BCs, which create the flattest trajectory and least wind drift possible. The keys to the RDF's outstanding performance are Nosler's meticulously optimized compound ogive and long, drag reducing boattail, which make handloading a snap and create an incredibly sleek form factor. RDF bullets also have the smallest, most consistent meplats of any hollow point match bullet line, so there is no need to point or trim tips. Highest B.C.'s, smallest meplat, tighter groups - Nosler RDF.

Attributes

- Name: [NOSLER RDF 6MM \(0.243"\) HOLLOW POINT BOAT TAIL 105GR 500/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749017553
- Mfr. No.: 53411
- Ballistic Coefficient (G1): 0.571
- Ballistic Coefficient (G7): 0.280
- Brand Style: Reduced Drag Factor
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6mm,243 Caliber
- Diameter (Breech): -
- Diameter (in): 0.243
- Grain: 105
- Sectional Density: 0.254
- Quantity: 500
- Delivery weight: 3.515kg
- Shipping height: 64mm
- Shipping width: 89mm
- Shipping length: 127mm
- UPC: 054041534116

RDF Reduced Drag Factor 6mm (0.243") Bullets

Safety Instruction Guide

Introduction

Thank you for choosing Nosler's RDF Reduced Drag Factor 6mm (0.243") Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. It is crucial to follow these guidelines to minimize risks and ensure a safe shooting experience.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in firearms specifically designed for 6mm (0.243") ammunition.
- Ensure proper ventilation when using bullets in enclosed spaces.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow local laws and regulations regarding the use of firearms and ammunition.
- Regularly inspect your firearm and ammunition for signs of damage or wear.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential for accidental discharge if mishandled.
- Risk of injury from improper use or malfunction of firearms.
- Environmental hazards from lead exposure during shooting.

- **Instructions to Avoid Hazards:**

- Always ensure the firearm is pointed in a safe direction.
- Do not load bullets until ready to shoot.
- Avoid using damaged or corroded bullets.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Dispose of spent casings and any damaged bullets according to local regulations.

- **Age Specific Warnings:**

- This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a qualified adult when handling or using firearms and ammunition.

Instructions for Installation and Usage

- **Installation:**

- Ensure your firearm is unloaded before installation.
- Follow the manufacturer's instructions for loading bullets into your firearm.
- Make sure that the bullet is seated properly in the cartridge case.

- **Usage:**

- Always check the barrel for obstructions before firing.
- Utilize the appropriate shooting stance and grip when firing.

- Maintain focus and control while shooting to ensure accuracy and safety.
- After shooting, properly clean your firearm to prevent malfunction and ensure longevity.

Disposal Instructions

- Dispose of spent casings and damaged bullets in accordance with local waste management regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding Nosler RDF Reduced Drag Factor 6mm (0.243") Bullets, please refer to the product packaging or contact your local dealer. Always prioritize safety and follow the guidelines provided in this manual.

Thank you for your attention to these important safety instructions. Enjoy your shooting experience responsibly!
