Safety Instruction Guide for 444 MARLIN BRASS STARLINE 444 MARLIN BRASS 100/BAG

Introduction

Thank you for choosing the 444 Marlin Brass by Starline. This product is designed for use in reloading ammunition for leveraction rifles. To ensure your safety and the safe use of this product, please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Ensure you are familiar with the relevant laws and regulations regarding ammunition reloading in your area.
- Always handle brass cases with care to avoid injury.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Keep brass cases out of reach of children and pets.
- Regularly inspect brass cases for signs of wear, damage, or corrosion before use.

Specific Safety Precautions for Use

- Use only with .444 Marlin reloading equipment and components.
- Avoid using damaged or corroded brass cases, as they may result in malfunction or accidents.
- Wear appropriate safety gear, including eye protection and gloves, when reloading.
- Follow the recommended reloading data from reputable sources to ensure safe loading practices.
- Do not exceed the maximum load specifications for the .444 Marlin cartridge.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary reloading equipment and components, including powder, primers, and bullets.
- Ensure your workspace is clean and organized to minimize the risk of accidents.

2. Inspect Brass Cases:

- Examine each brass case for any signs of damage or wear.
- Discard any cases that are cracked or excessively worn.

3. Reloading Process:

- Resize and deprime the brass cases according to your reloading equipment instructions.
- Clean the brass cases thoroughly to remove any debris or residue.
- Prime the cases using the appropriate primers for the .444 Marlin.
- Measure and add the correct amount of powder as per the reloading data.
- Seat the bullet firmly into the case mouth, ensuring proper alignment.

4. Final Inspection:

- Inspect the completed cartridges for any inconsistencies before storage or use.
- Store completed cartridges in a safe and secure manner.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Recycle brass cases whenever possible to minimize environmental impact.
- Follow local guidelines for the disposal of hazardous materials, including spent primers and powder.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of this product, please refer to the relevant authorities or your local retailer for assistance.

By adhering to these safety instructions and guidelines, you can ensure a safe and enjoyable reloading experience with your 444 Marlin Brass by Starline. Thank you for your attention to these important safety measures.
