# Safety Instruction Guide for Starline .338 Federal Brass

## Introduction

Thank you for choosing Starline .338 Federal brass. This guide provides essential safety instructions to ensure safe handling and usage of the product. Please read this document carefully to understand how to use the brass safely and responsibly.

## General Safety Guidelines

- Always handle brass with care and in accordance with standard safety protocols for ammunition components.
- Store brass in a cool, dry place away from direct sunlight and moisture to prevent degradation.
- Keep brass out of reach of children and vulnerable individuals to avoid accidental misuse.
- Regularly check for any recalls or safety alerts related to the product through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities promptly.

## Specific Safety Precautions for Use

- Ensure that the brass is compatible with your firearm before loading.
- Inspect each piece of brass for signs of damage or wear before use.
- Use appropriate protective gear, such as safety glasses, when reloading ammunition.
- Follow all manufacturer guidelines for reloading and using the .338 Federal cartridge.
- Avoid using brass that has been previously damaged or improperly stored.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials for reloading, including the Starline .338 Federal brass, primers, powder, and projectiles.
- Ensure your workspace is clean and organized to avoid accidents.

### 2. Reloading:

- Inspect each brass case for cleanliness and integrity.
- Follow the recommended specifications for powder charge and bullet seating depth as per reliable reloading manuals.
- Ensure that the brass is properly resized and primed before loading.

### 3. PostReloading:

- Store loaded ammunition in a secure and appropriate manner.
- Label any loaded ammunition clearly, indicating the caliber and load details.

## Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Do not discard brass in regular household waste; consider recycling options available in your area.
- Follow guidelines for disposing of any hazardous materials used during the reloading process.

## **Contact Information for Further Support**

For any inquiries or further information regarding the safety of Starline .338 Federal brass, please refer to your local EU contact point. They can provide you with additional support and guidance related to product safety.

Thank you for your attention to these safety instructions. Your careful handling and adherence to these guidelines will help ensure a safe and enjoyable experience with your Starline .338 Federal brass.
