# Safety Instruction Guide for Starline .260 Remington Brass

## Introduction

Thank you for choosing Starline .260 Remington brass. This guide provides essential safety instructions and guidelines for the safe use of this product. Please read this document carefully before use to ensure proper handling and compliance with safety regulations.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware that this product is not suitable for individuals under the age of 18 without adult supervision.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.
- Always follow the manufacturer's instructions for safe use.

## Specific Safety Precautions for Use

- **Handling:** Always handle brass with clean hands to avoid contamination.
- **Storage:** Store brass in a cool, dry place away from direct sunlight and moisture.
- **Inspection:** Before use, inspect each piece of brass for signs of damage or wear. Do not use damaged brass.
- **Reloading:** Follow safe reloading practices and guidelines. Ensure you are familiar with the reloading process for .260 Remington cartridges.
- **Protective Equipment:** Use appropriate protective gear, such as safety glasses and gloves, when reloading or handling brass.
- **Children:** Keep brass and reloading equipment out of reach of children and pets to prevent accidental ingestion or injury.

## Instructions for Installation and Usage

- **Preparation:** Before using the brass, ensure that your reloading equipment is clean and in good working condition.
- **Reloading Process:**
  1. **Cleaning:** Clean the brass cases before reloading to remove any dirt or debris.
  2. **Sizing:** Size the brass cases according to the specifications for .260 Remington.
  3. **Priming:** Insert appropriate primers, ensuring they are seated correctly.
  4. **Charging:** Carefully charge the brass with the correct amount of powder as per your reloading manual.
  5. **Seating Bullets:** Seat the bullets to the recommended depth for .260 Remington cartridges.
  6. **Final Inspection:** Inspect the completed rounds for any defects before use.
- **Usage:** Use the reloaded ammunition only in firearms specifically chambered for .260 Remington.

## Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Do not throw brass in regular trash. Check for local recycling programs that accept brass.
- Ensure that all spent cartridges are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of Starline .260 Remington brass, please refer to the manufacturer's official website or customer support channels.

By following these guidelines, you can ensure safe handling and use of Starline .260 Remington brass. Thank you for your attention to safety and for choosing our product.
