

6.5 CREEDMOOR LARGE PRIMER POCKET BRASS - STARLINE 6.5 CRDMR LRG PRIMER BRASS 100

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The Perfect Component for Tack-Driving Loads

Starline 6.5 Creedmoor Large Primer Pocket brass is perfect for target-shooters using the wildly popular 6.5 Creedmoor cartridge, since it allows them to fine-tune their tack-driving loads with high-quality brass. Starline 6.5 Creedmoor Large Primer Pocket brass features a large-rifle primer hole, which is the standard feature of 6.5 Creedmoor brass. The 6.5 Creedmoor produces similar ballistics as the .260 Remington, but its shorter overall length allows for much more versatility in bullet-seating depth, making it an ideal choice for those who want to fine-tune their loads. Can be used for multiple reloads Sells in quantities of 100 or 500 rounds Ships in loosely packed bags Starline 6.5 Creedmoor Large Primer Pocket brass is ready to receive your perfect reloads, having been made to exacting specifications by one of the most well-known companies in the business.

Safety Instruction Guide for Starline 6.5 Creedmoor Large Primer Pocket Brass

Introduction

Thank you for choosing Starline 6.5 Creedmoor Large Primer Pocket brass. This product is designed for target shooters who demand highquality brass for their reloading needs. To ensure your safety and the safety of others, please read this guide carefully. It contains important information about the safe use, installation, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that you are using this product in accordance with local laws and regulations regarding firearms and ammunition.
- Store brass in a cool, dry place away from direct sunlight to prevent degradation.
- Inspect brass before each use for any signs of damage or wear, such as cracks or deformities.
- Handle all reloading components, including brass, with care to avoid accidents and injuries.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only large rifle primers that are compatible with the 6.5 Creedmoor cartridge.
- Ensure that your reloading equipment is in good working condition before use.
- Follow the manufacturer's instructions for reloading, including recommended powder charges and seating depths.
- Always wear safety glasses when reloading to protect your eyes from potential hazards.
- Never exceed the recommended load data for the 6.5 Creedmoor cartridge.
- Avoid distractions while reloading to maintain focus and prevent mistakes.
- Dispose of any damaged or unusable brass in accordance with local waste disposal regulations.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary reloading equipment, including the Starline 6.5 Creedmoor brass, primers, powder, and bullets.
- Ensure your workspace is clean and organized to avoid accidents.

2. Inspection:

- Check each piece of brass for signs of damage or wear.
- Discard any brass that appears compromised.

3. Priming:

- Insert large rifle primers into the primer pockets of the brass.
- Use a primer seating tool for consistent depth and to avoid crushing the primer.

4. Charging:

- Measure the appropriate amount of powder using a reliable scale.
- Carefully pour the powder into each brass case.

5. Seating Bullets:

- Place the bullet on top of the charged brass.
- Use a bullet seating die to push the bullet to the desired depth.

6. Final Inspection:

- Inspect each completed round for consistency and proper assembly.
- Store completed rounds in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Recycle brass whenever possible to minimize environmental impact.
- Do not throw brass or any reloading components in regular trash.

Contact Information for Further Support

For any questions or concerns regarding the Starline 6.5 Creedmoor Large Primer Pocket brass, please refer to the manufacturer's guidelines or contact your local retailer. Always ensure that you have access to safety information and support when needed.

By following these guidelines, you can help ensure a safe and enjoyable reloading experience with your Starline 6.5 Creedmoor brass. Thank you for your attention to safety.
