

HYBRID TARGET 7MM (.284") 180GR HYBRID BOAT TAIL BULLETS - BERGER BULLETS 7MM (0.284") 180GR HYBRID BOAT TAIL 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Designed for Premium Performance

The Berger 7mm Hybrid Target Bullets are the result of a great deal of research and engineering, all aimed at providing competition target shooters with the best possible projectile in order to ensure that they take home the trophy. The company's chief ballisticsian, Bryan Litz, designed the Berger 7mm Hybrid Target Bullets with a combination of features. First, the bullets feature a tangent ogive that makes them much more forgiving in relation to bullet-seating depth. Second, the bullets feature the secant ogive found on the company's popular VLD bullets, which perform superbly in the wind. Diameter: 0.284 inches Weight: 180 grains Boattail bullet design The Berger 7mm Hybrid Target Bullets ensure that, whatever your target, you'll be able to put rounds on it accurately and precisely.

Safety Instruction Guide for Berger 7mm Hybrid Target Bullets

Introduction

Thank you for choosing the Berger 7mm Hybrid Target Bullets. Your safety is our top priority. This guide provides essential safety instructions to ensure the safe use of these bullets in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that all users of the Berger 7mm Hybrid Target Bullets are knowledgeable about firearm safety and handling.
- Always store bullets in a cool, dry place, away from children and unauthorized persons.
- Use the bullets only with firearms that are compatible with the 7mm caliber specifications.
- Regularly check for any recalls or safety alerts regarding the product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Berger 7mm Hybrid Target Bullets in designated firearms.
- Do not modify the bullets or attempt to alter their design in any way.
- Always wear appropriate personal protective equipment (PPE) when handling or using bullets, including safety glasses and hearing protection.
- Ensure that you are in a safe and designated shooting area when using the bullets.
- Be aware of your surroundings and ensure that there are no people or animals in the vicinity when shooting.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

Instructions for Installation and Usage

- Carefully read the firearm's manual to ensure compatibility with 7mm ammunition.
- Load the bullets into the firearm according to the manufacturer's instructions.
- Always check the firearm to ensure it is unloaded before loading the bullets.
- Do not exceed the manufacturer's recommended load specifications when using the bullets.
- When shooting, maintain a proper shooting stance and grip to ensure control over the firearm.
- After firing, check the firearm for any signs of malfunction or damage before using it again.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; instead, contact local waste management authorities for proper disposal methods.
- Ensure that spent cartridges are disposed of safely to avoid environmental contamination.

Contact Information for Further Support

For any questions regarding safety or product usage, please refer to the manufacturer's contact information provided with the product packaging. It is important to have access to support for any safety inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Berger 7mm Hybrid Target Bullets. Always prioritize safety and be responsible in your use of ammunition.
