

HYBRID TARGET 30 CALIBER (0.308") BOAT TAIL BULLETS - BERGER BULLETS 30 CALIBER (0.308") 215GR HYBRID BOAT TAIL 250/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Buck the Wind with These Bullets

The Berger 30-Caliber Hybrid Target Bullets ensure that long-range precision shooters and reloaders have the ability to get the most out of their projectiles, thanks to an enhanced design that brings together two designs into one. Developed by Berger Chief Ballistician Bryan Litz, the Berger 30-Caliber Hybrid Target Bullets incorporate both a secant and tangent ogive. The tangent ogive enables reloaders to choose the bullet-seating depth of their choice, giving them much more flexibility in cartridge construction. The secant ogive enhances performance against the wind. Diameter: 0.308 inch Weight: 215 grains Boattail bullet design The Berger 30-Caliber Hybrid Target Bullets, like the company's popular VLD projectiles, are designed for premium performance against the environment.

Safety Instruction Guide for Berger 30Caliber Hybrid Target Bullets

Introduction

Thank you for choosing the Berger 30Caliber Hybrid Target Bullets. This guide provides essential safety instructions to ensure the safe use of this product. It is important to follow these guidelines to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Always treat firearms and ammunition with respect and caution.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in accordance with the manufacturer's specifications.
- Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the authorities immediately.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with .308 caliber ammunition before use.
- Check the condition of your firearm and ammunition before each use.
- Do not mix different types of ammunition.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Avoid using damaged or deformed bullets.
- Do not exceed the recommended load specifications for your firearm.
- Always follow the instructions provided by your firearm's manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded before handling any ammunition.
- Read the manufacturer's instructions for your specific firearm.

2. Loading:

- Carefully insert the Berger 30Caliber Hybrid Target Bullets into the cartridge case according to your preferred bullet seating depth.
- Use a reliable reloading press and follow safe reloading practices.

3. Firing:

- Load the firearm in a safe environment, ensuring that the muzzle is pointed in a safe direction.
- Check the surrounding area for safety before firing.
- Fire the weapon only when you are ready and confident in your aim.

4. PostUse:

- Clean your firearm according to the manufacturer's instructions after use.
- Store any remaining bullets in their original packaging in a secure location.

Disposal Instructions

- Dispose of any damaged or unused bullets in accordance with local hazardous waste regulations.
- Do not throw ammunition in regular trash; instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Berger 30Caliber Hybrid Target Bullets, please contact the appropriate authorities or your local firearms safety organization. Always ensure that you have access to support when handling firearms and ammunition.

By following these guidelines, you can enjoy a safe and effective shooting experience with your Berger 30Caliber Hybrid Target Bullets. Thank you for your attention to safety.
