

# CLICK ADJUST BUSHING FULL LENGTH DIE - WHIDDEN GUNWORKS 6X47MM LAPUA BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Bushing Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire.

Included with the Click Adjustable Sizer Die is a Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base. Using the Shoulder Bump Gauge with the Click Adjustable Sizer Die will make the proper sizer die setup easier than ever before.

# **Safety Instruction Guide for CLICK ADJUST BUSHING FULL LENGTH DIE WHIDDEN GUNWORKS 6X47MM LAPUA BUSHING FULL LENGTH DIE**

## **Introduction**

Thank you for choosing the Whidden Gunworks Click Adjustable Bushing Full Length Die for your reloading needs. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die.

## **General Safety Guidelines**

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that your workspace is clean and free from clutter to prevent accidents.
- Use proper personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Do not modify the die or attempt to repair it without consulting a qualified technician.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Be aware of the potential hazards associated with reloading, including the risk of injury from handling sharp tools and the dangers of handling gunpowder and primers.
- Always check that the die is properly secured before use to prevent movement during operation.
- Use the Shoulder Bump Gauge correctly to avoid mismeasurement, which could lead to unsafe ammunition.
- Ensure that the calipers used with the Shoulder Bump Gauge are accurate and in good condition.
- Do not exceed the recommended adjustments of .001" for shoulder bump to maintain safe reloading practices.
- Avoid using the die for any other purpose than intended.

## **Instructions for Installation and Usage**

### **1. Installation**

- Ensure the reloading press is securely mounted on a stable surface.
- Remove any previous dies from the press before installation.
- Insert the Click Adjustable Bushing Full Length Die into the press.
- Securely tighten the die using the lock ring to prevent movement during use.

### **2. Usage**

- Before adjusting, ensure the die is clean and free of debris.
- Attach the Shoulder Bump Gauge to your standard calipers.
- Measure the distance from the case shoulder to the base using the gauge.
- Adjust the shoulder bump using the click adjustment feature, moving in increments of .001".
- After each adjustment, measure again to ensure the desired shoulder bump is achieved.
- Once you have the desired measurement, proceed with reloading according to your specific ammunition requirements.

## **Disposal Instructions**

- Dispose of any unused or defective products in accordance with local regulations.
- Do not throw the die or any associated components in regular household waste.
- Contact local waste management authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any inquiries or support related to the Whidden Gunworks Click Adjustable Bushing Full Length Die, please refer to the manufacturer's website or your point of purchase for assistance.

## **Important Note**

Keep this safety instruction guide for future reference. Regularly check for updates or recall notices regarding the product on the EU's Safety Gate platform. Your safety is our priority, and we appreciate your commitment to safe reloading practices.
