

CLICK ADJUST BUSHING FULL LENGTH DIE - WHIDDEN GUNWORKS

260 REMINGTON BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Bushing Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire.

Included with the Click Adjustable Sizer Die is a Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base. Using the Shoulder Bump Gauge with the Click Adjustable Sizer Die will make the proper sizer die setup easier than ever before.

Safety Instruction Guide for CLICK ADJUST BUSHING FULL LENGTH DIE WHIDDEN GUNWORKS 260 REMINGTON BUSHING FULL LENGTH DIE

Introduction

Thank you for choosing the Whidden Gunworks Click Adjustable Bushing Full Length Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the die.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations regarding reloading and firearm safety.
- Always handle the die and any associated equipment with care to prevent accidents.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Use the die only for its intended purpose as specified in this guide.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the die.
- Ensure that your reloading workspace is clean and free from clutter to minimize the risk of accidents.
- Avoid distractions while reloading to maintain focus and control.
- Do not exceed the recommended loads specified by the manufacturer for the cartridge being used.
- Use a proper shoulder bump gauge to ensure accurate measurements and avoid overadjusting the shoulder bump.
- If you are inexperienced, seek guidance from a knowledgeable individual or professional before using the die.

Instructions for Installation and Usage

1. Preparation:

- Before starting, ensure that you have all necessary tools and equipment ready, including the Click Adjustable Bushing Full Length Die, a shoulder bump gauge, and calipers.

2. Installation:

- Securely attach the die to your reloading press according to the manufacturer's instructions.
- Ensure that the die is properly aligned and tightened to prevent movement during operation.

3. Adjusting the Die:

- Use the click adjustment feature to set the shoulder bump. Each click represents a .001" adjustment.
- Test the adjustment by resizing a case and measuring the shoulder bump with the gauge.
- Repeat the adjustment process as necessary until the desired shoulder bump is achieved.

4. Using the Shoulder Bump Gauge:

- Attach the shoulder bump gauge to your calipers as per the provided instructions.
- Measure the distance from the case shoulder to the base to ensure proper sizing.

5. Final Checks:

- After resizing, visually inspect the case for any defects.
- Store the die in a safe and dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the die in regular household waste. Instead, follow local guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any questions or concerns regarding the use of the Whidden Gunworks Click Adjustable Bushing Full Length Die, please refer to the product packaging or visit the manufacturer's website for additional information and support.

By following these safety instructions, you will ensure a safer and more effective reloading experience with your Whidden Gunworks Click Adjustable Bushing Full Length Die. Thank you for prioritizing safety in your reloading practices.
