

CLICK ADJUST BUSHING FULL LENGTH DIE - WHIDDEN GUNWORKS

6.5MM REMINGTON SAUM BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Bushing Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire.

Included with the Click Adjustable Sizer Die is a Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base. Using the Shoulder Bump Gauge with the Click Adjustable Sizer Die will make the proper sizer die setup easier than ever before.

CLICK ADJUST BUSHING FULL LENGTH DIE WHIDDEN GUNWORKS 6.5MM REMINGTON SAUM BUSHING FULL LENGTH DIE Safety Instruction Guide

Introduction

Thank you for choosing the Whidden Gunworks Click Adjustable Bushing Full Length Die for your reloading needs. This product is designed to provide precise adjustments for shoulder bump measurements, ensuring optimal performance in your rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the die.
- Keep the die and all related tools out of reach of children and vulnerable individuals.
- Inspect the die for any damage before each use. Do not use if damaged.
- Ensure your workspace is clean and organized to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when reloading.
- Be aware of your surroundings and ensure that no one is in close proximity while using the die.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the die is properly secured in your reloading press before use.
- Use the Shoulder Bump Gauge as instructed to avoid incorrect measurements.
- Adjust the die slowly and carefully, making small adjustments to prevent overbumping.
- Always doublecheck measurements before proceeding with reloading.
- Never exceed the recommended load specifications for your ammunition.
- Store the die in a safe, dry place when not in use to prevent corrosion or damage.

Instructions for Installation and Usage

1. Installation:

- Secure the Click Adjustable Bushing Full Length Die in your reloading press according to the manufacturer's instructions.
- Ensure the die is tightened properly to prevent any movement during use.

2. Usage:

- Attach the Shoulder Bump Gauge to your standard calipers.
- Measure the distance from the case shoulder to the base using the gauge.
- Adjust the die by turning the lock ring to achieve the desired shoulder bump. Each click corresponds to a .001" adjustment.
- After making adjustments, perform a test reload to confirm the shoulder bump measurement.
- Repeat the measurement process as needed to ensure accuracy.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die is no longer usable, check local guidelines for proper disposal of metal and plastic components.
- Never dispose of the die in a manner that could pose a safety hazard to others.

Contact Information for Further Support

For any inquiries or support regarding the Whidden Gunworks Click Adjustable Bushing Full Length Die, please refer to the manufacturer's contact information provided with the product packaging.

By adhering to these guidelines, you can ensure a safe and effective reloading experience with your Whidden Gunworks Click Adjustable Bushing Full Length Die. Thank you for your attention to safety and for choosing our product.
