

CLICK ADJUST BUSHING FULL LENGTH DIE - WHIDDEN GUNWORKS

6.5-284 WINCHESTER BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Bushing Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire.

Included with the Click Adjustable Sizer Die is a Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base. Using the Shoulder Bump Gauge with the Click Adjustable Sizer Die will make the proper sizer die setup easier than ever before.

CLICK ADJUST BUSHING FULL LENGTH DIE WHIDDEN GUNWORKS 6.5284 WINCHESTER

Introduction

Thank you for choosing the Whidden Gunworks Click Adjustable Bushing Full Length Die. This product is designed to provide precise adjustments for shoulder bump measurements, enhancing your reloading experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions to avoid any potential hazards.
- Always inspect the die and associated equipment before use. Do not use if damaged.
- Keep the die and all components out of reach of children and vulnerable individuals.
- Use the die only for its intended purpose as specified in the product description.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, such as safety glasses, when using the die to protect against potential debris.
- Ensure that the workspace is clean and organized to prevent accidents.
- Avoid loose clothing or accessories that may become entangled in equipment.
- Use the Shoulder Bump Gauge properly to ensure accurate measurements and avoid incorrect adjustments.
- Do not exceed the manufacturer's recommended limits for adjustments.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Carefully remove the Click Adjustable Bushing Full Length Die from its packaging.
- Install the die into your reloading press according to the manufacturer's instructions, ensuring it is tightly secured.

2. Usage

- Attach the Shoulder Bump Gauge to standard calipers as per the gauge instructions.
- Measure the case shoulder to the base using the gauge.
- Adjust the shoulder bump by turning the lock ring on the die. Each click corresponds to a .001" adjustment.
- After making adjustments, perform a test with a dummy round to verify the setup before proceeding with live ammunition.
- Store the die and gauge in a safe place when not in use.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not dispose of the die in household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any safety inquiries or further support regarding the Click Adjustable Bushing Full Length Die, please refer to the manufacturer's contact information provided on the packaging or the product website.

By following these guidelines, you can ensure a safe and effective experience with your Whidden Gunworks Click Adjustable Bushing Full Length Die. Thank you for your attention to safety.
