

CLICK ADJUST FULL LENGTH DIES - WHIDDEN GUNWORKS 6MM SLR FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire. Included with the Click Adjustable Sizer Die is a Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base. Using the Shoulder Bump Gauge with the Click Adjustable Sizer Die will make the proper sizer die setup easier than ever before.

CLICK ADJUST FULL LENGTH DIES WHIDDEN GUNWORKS 6MM SLR FULL LENGTH DIE Safety Instruction Guide

Introduction

Thank you for choosing the Whidden Gunworks Click Adjustable Full Length Sizer Die. This guide provides essential safety instructions to ensure the safe and effective use of your die. Please read and follow these guidelines carefully to avoid any potential hazards.

General Safety Guidelines

- Always ensure that you are using the die in a wellventilated area.
- Keep the die and all related tools out of reach of children and vulnerable individuals.
- Inspect the die for any damage or defects before use. Do not use if damaged.
- Use the die only for its intended purpose, which is to resize brass cases for the 6mm SLR cartridge.
- Wear appropriate safety gear, such as safety glasses and gloves, when operating the die.
- Be aware of your surroundings and ensure that no one is in close proximity while you are using the die.

Specific Safety Precautions for Use

- Ensure that the die is securely mounted in a press before use to prevent movement during operation.
- Avoid overadjusting the shoulder bump; each click adjusts by .001", which allows for precise control.
- Always use the provided Shoulder Bump Gauge to measure the case shoulder to the base accurately.
- Do not attempt to disassemble or modify the die, as this may lead to malfunction or injury.
- If you experience any unusual resistance or difficulty while using the die, stop immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Securely attach the Click Adjustable Sizer Die to your reloading press according to the manufacturer's instructions.
- Ensure that the die is properly aligned with the press to avoid misalignment during operation.

2. Adjustment:

- Use the lock ring to secure the die in place after making adjustments.
- Adjust the shoulder bump by turning the die until you feel a click. Each click indicates a .001" adjustment.
- Use the Shoulder Bump Gauge to verify the shoulder bump measurement.

3. Usage:

- Insert a brass case into the press and lower the ram to resize the case.
- After resizing, remove the case and measure the shoulder bump using the Shoulder Bump Gauge.
- Repeat the adjustment and resizing process as necessary until the desired shoulder bump is achieved.

4. PostUse:

- Clean the die after each use to remove any debris or residue.
- Store the die in a safe, dry place away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not throw the die in regular household waste. Instead, check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Whidden Gunworks Click Adjustable Full Length Sizer Die, please contact your local distributor or refer to the manufacturer's website for support.

By following these safety guidelines, you can ensure a safe and effective experience with your Whidden Gunworks Click Adjustable Full Length Sizer Die. Thank you for your attention to safety.
