

CLICK ADJUST BUSHING FULL LENGTH DIE SET - WHIDDEN GUNWORKS 284 WINCHESTER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Bushing Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire. Included with the Click Adjustable Sizer Die Set is a Micrometer Adjustable Seating die and Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base.

CLICK ADJUST BUSHING FULL LENGTH DIE SET WHIDDEN GUNWORKS 284 WINCHESTER

Introduction

Thank you for choosing the Whidden Gunworks Click Adjustable Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your die set. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the die set is used only by individuals who are knowledgeable about reloading and firearms.
- Always wear appropriate safety gear, including safety glasses, when handling reloading equipment.
- Keep the workspace clean and free of any distractions to maintain focus during reloading.
- Store the die set in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local regulations and guidelines related to reloading and firearms.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper adjustment of the die can lead to incorrect shoulder bump measurements, affecting ammunition performance.
 - Using the die set with incompatible cartridges may cause malfunctions or accidents.
- **Instructions to Avoid Hazards:**
 - Always ensure that you are using the die set with the correct cartridge, specifically the 284 Winchester.
 - Make incremental adjustments of no more than .001" at a time to ensure precise measurements.
 - Do not force any components during installation or adjustment; if resistance is felt, check for misalignment or obstruction.
- **Age Specific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Remove the die from its packaging and inspect for any damage.
- Thread the Click Adjustable Bushing Full Length Sizer Die into the reloading press until snug.
- Attach the lock ring to secure the die in place.

2. Usage:

- Prepare your cases by cleaning and inspecting them for defects.
- Insert the case into the die and lower the press handle to size the case.
- Adjust the shoulder bump using the click mechanism. Each click adjusts the shoulder bump by .001".

- Measure the shoulder bump using the included Shoulder Bump Gauge for accuracy.
- After sizing, use the Micrometer Adjustable Seating Die to seat the bullet to the desired depth.

3. **PostUsage:**

- Clean the die set after each use to prevent buildup of debris.
- Store the die set in its original packaging or a secure container to protect it from damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw the die set in regular household waste. Check with local authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the Whidden Gunworks Click Adjustable Bushing Full Length Die Set, please refer to the official website or contact customer support through the provided channels. It is essential to have a reliable source for assistance with your reloading needs.

Conclusion

Following these safety guidelines and instructions will help ensure a safe and successful reloading experience with the Whidden Gunworks Click Adjustable Bushing Full Length Die Set. Always prioritize safety and adhere to best practices when handling reloading equipment. Thank you for your attention to these important safety instructions.
