

CLICK ADJUST BUSHING FULL LENGTH DIE SET - WHIDDEN GUNWORKS 6.5-284 WINCHESTER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Bushing Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire. Included with the Click Adjustable Sizer Die Set is a Micrometer Adjustable Seating die and Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base.

CLICK ADJUST BUSHING FULL LENGTH DIE SET

USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Whidden Gunworks Click Adjustable Bushing Full Length Die Set. This product is designed for precision reloading of 6.5284 Winchester cartridges. It is essential to follow safety guidelines to ensure the safe and effective use of this product. This guide provides important safety instructions, precautions, and disposal information in accordance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the instructions carefully before use.
- Ensure that the workspace is clean and free from hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Regularly inspect the equipment for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper adjustment may lead to incorrect shoulder bump measurements.
- Use of damaged or worn components can result in malfunction.
- Ensure that all tools and components are securely fastened before use.

- **Avoiding Hazards:**

- Always make adjustments with the die removed from the press to prevent accidents.
- Use caution when handling sharp tools or components.
- Follow all manufacturer instructions for setup and operation.
- Never exceed the recommended specifications for the die set.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are properly trained in the use of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all components of the die set: Click Adjustable Bushing Full Length Sizer Die, Micrometer Adjustable Seating Die, and Shoulder Bump Gauge.
- Securely attach the Click Adjustable Bushing Full Length Sizer Die to your reloading press following the manufacturer's instructions.
- Attach the Micrometer Adjustable Seating Die to the press, ensuring it is tightened properly.

2. Usage:

- To adjust the shoulder bump, remove the die from the press and turn the adjustment knob until

you feel a click. Each click adjusts the shoulder bump by .001”.

- Use the Shoulder Bump Gauge to measure from the case shoulder to the base. Attach the gauge to standard calipers for accurate readings.
- Always wear safety glasses when operating reloading equipment to protect your eyes from debris.

3. PostUse:

- After use, clean all components to prevent corrosion and ensure longevity.
- Store the die set in a dry, safe place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, follow local recycling guidelines for metal and plastic materials.
- Ensure that any hazardous materials are handled according to applicable laws and regulations.

Contact Information for Further Support

For any questions or concerns regarding the Whidden Gunworks Click Adjustable Bushing Full Length Die Set, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Whidden Gunworks Click Adjustable Bushing Full Length Die Set. Thank you for your attention to safety.
