

CLICK ADJUST FULL LENGTH DIE SET - WHIDDEN GUNWORKS 6MM CREEDMOOR FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Adjusting shoulder bump has never been easier. The Whidden Gunworks Click Adjustable Bushing Full Length Sizer Die and lock ring work together to give the user a clicking feel to the adjustment just like a high end rifle scope. Each click moves the shoulder bump .001" so you can easily find the exact shoulder bump that you desire. Included with the Click Adjustable Sizer Die Set is a Micrometer Adjustable Seating die and Shoulder Bump Gauge. This gauge attaches to standard calipers and allows measurement from the case shoulder to the base.

CLICK ADJUST FULL LENGTH DIE SET WHIDDEN GUNWORKS 6MM CREEDMOOR Safety Instruction Guide

Introduction

Congratulations on your purchase of the Click Adjust Full Length Die Set by Whidden Gunworks for the 6mm Creedmoor. This die set is designed to enhance your reloading experience by providing precise adjustments for shoulder bump measurements. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that you are familiar with the basic principles of reloading before using this product.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Handle all components, including the die set, with care to prevent accidents or injuries.
- Ensure that the work area is clean, dry, and welllit.
- Do not exceed the recommended load specifications for your reloading components.
- Use only compatible calibers with the die set to avoid malfunctions.
- Be cautious of potential hazards associated with reloading, such as exposure to lead and other chemicals.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the Click Adjustable Sizer Die, Micrometer Adjustable Seating Die, Shoulder Bump Gauge, and standard calipers.
- Ensure that your reloading press is clean and properly set up.

2. Installation of the Die Set:

- Secure the Click Adjustable Sizer Die in your reloading press according to the manufacturer's instructions.
- Attach the Micrometer Adjustable Seating Die following the same guidelines.
- Ensure that the lock ring is tightened to prevent movement during use.

3. Adjusting the Shoulder Bump:

- Use the Click Adjustable Sizer Die to set the shoulder bump. Turn the adjustment knob until you feel a click, indicating a .001" adjustment.
- Repeat the clicking process until you achieve the desired shoulder bump measurement.

4. Using the Shoulder Bump Gauge:

- Attach the Shoulder Bump Gauge to your standard calipers.
- Measure the distance from the case shoulder to the base to ensure proper sizing.

5. Seating Bullets:

- Use the Micrometer Adjustable Seating Die to seat bullets to the desired depth.
- Make incremental adjustments as needed, using the micrometer for precision.

6. Final Inspection:

- After reloading, inspect each cartridge for proper seating and overall quality before use.
- Store all reloaded ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular trash; consult local hazardous waste disposal guidelines.

Contact Information for Further Support

For further assistance or inquiries regarding the Click Adjust Full Length Die Set, please refer to the manufacturer's official website or customer service.

Thank you for choosing Whidden Gunworks. Enjoy your reloading experience safely and responsibly!
