

BUSHING FULL LENGTH DIES - L.E. WILSON 30-06 SPRINGFIELD

BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

BUSHING FULL LENGTH DIES L.E. WILSON 3006 SPRINGFIELD

Safety Instruction Guide

Introduction

Thank you for choosing the Bushing Full Length Dies L.E. Wilson 3006 Springfield. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the die.

General Safety Guidelines

- Ensure that you are familiar with the components of the die and its intended use.
- Always use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.
- Keep your work area clean and organized to avoid accidents.
- Store the die in a safe place, out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Use the die only with the specified cartridge, which is the 3006 Springfield.
- Do not exceed the recommended load limits for the cartridge.
- Ensure that the die is securely mounted to the reloading press before use.
- Adjust the depth of the decapping rod carefully to avoid damaging the die or the cartridge.
- Avoid placing hands or fingers near moving parts during operation.
- If you experience any difficulties or unusual resistance while using the die, stop immediately and inspect it for issues.

Instructions for Installation and Usage

1. Installation:

- Securely attach the Bushing Full Length Die to your standard 7/8ths reloading press.
- Ensure that the die is tightened properly to prevent movement during operation.
- Install the adjustable depth decapping rod according to the manufacturer's instructions.

2. Usage:

- Prepare your cases by cleaning and inspecting them for any defects.
- Insert the case into the die, ensuring it is properly aligned.
- Use the reloading press to size the case neck and body simultaneously.
- Adjust the decapping rod to achieve your desired neck tension.
- After sizing, remove the case from the die and inspect it for proper dimensions.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Bushing Full Length Dies L.E. Wilson 3006 Springfield, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and efficient reloading experience with the Bushing Full Length Dies L.E. Wilson 3006 Springfield. Always prioritize safety and compliance with local laws when engaging in ammunition reloading activities. Thank you for your attention and happy reloading!
