

## 30 LUGER BRASS - STARLINE 30 LUGER BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

This German designed, bottleneck cartridge is shorter and less powerful than the .30 Mauser. Pistols produced in this caliber include the Beretta M951, Ruger P89, and Walther P-38. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 30 Luger Brass

## Introduction

Thank you for choosing Starline 30 Luger Brass. This product is designed for use in firearms chambered for the 30 Luger cartridge. It is essential to follow safety guidelines to ensure safe handling and use of this product. This guide provides important information regarding safety, usage, and disposal of the brass cases.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store brass and ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep brass and ammunition out of reach of children and unauthorized users.
- Inspect brass cases for damage or defects before use. Do not use damaged cases.
- Follow all local, state, and federal laws regarding the purchase, storage, and use of ammunition and firearms.
- Never mix different types of ammunition in your firearm.

## Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition and is properly maintained.
- Use only the recommended load data for the 30 Luger cartridge when reloading.
- Wear appropriate eye and ear protection while shooting.
- Do not exceed the maximum pressure limits established for the 30 Luger cartridge.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- Do not shoot at hard surfaces or water, as this can cause ricochets.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure your workspace is clean and free from distractions.
  - Gather all necessary tools and safety equipment.
- **Loading the Brass:**
  - Inspect each brass case for signs of wear, cracks, or other defects.
  - Clean the brass if necessary, removing any dirt or residue.
  - Follow the reloading instructions specific to the 30 Luger cartridge.
- **Using the Brass:**
  - Insert the loaded brass case into the firearm's chamber.
  - Ensure the firearm is pointed in a safe direction before chambering a round.
  - Follow the manufacturer's instructions for your specific firearm model.
- **Post Usage:**
  - After shooting, inspect the brass for signs of damage.
  - Clean the brass cases if you plan to reload them.

## Disposal Instructions

- Dispose of used brass cases in accordance with local regulations.

- Do not discard brass in regular household waste.
- Consider recycling the brass to promote environmental sustainability.
- If you are unsure about disposal methods, consult local waste management authorities.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or use of Starline 30 Luger Brass, please consult the manufacturer's website or customer service resources.

By following these guidelines, you can help ensure a safe and enjoyable experience with your 30 Luger Brass. Always prioritize safety and be informed about the proper handling of ammunition and firearms.
