

# 30 M1 CARBINE BRASS - STARLINE 30 M1 CARBINE BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

Designed for use by the US military as a light carbine in the 1940's, the .30 carbine was used in the venerable M1 Carbine and the full auto M2 version. The gun of choice for many soldiers in WW11 the M1 is still very popular today. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for Starline 30 M1 Carbine Brass

## Introduction

Thank you for choosing Starline 30 M1 Carbine Brass. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before handling or using the brass cartridges.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store brass cartridges in a cool, dry place away from direct sunlight.
- Keep brass cartridges out of reach of children and unauthorized users.
- Inspect brass cartridges regularly for signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use appropriate protective eyewear when handling or using ammunition.
- Ensure that your firearm is compatible with .30 Carbine ammunition before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed brass cartridges.
- Only use brass cartridges for their intended purpose in compatible firearms.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Check that the chamber is clear of any obstructions.

### 2. Loading the Brass:

- Carefully insert the brass cartridges into the magazine or chamber of the firearm.
- Ensure that each cartridge is seated properly and securely.

### 3. Firing:

- Follow the manufacturer's instructions for your specific firearm.
- Maintain a firm grip on the firearm and ensure proper stance while firing.
- Be aware of your surroundings and ensure that the area is safe for shooting.

### 4. PostUse:

- After use, unload the firearm and inspect the brass cartridges for any signs of damage.
- Clean the firearm according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of used brass cartridges in accordance with local regulations.

- Do not throw brass cartridges in regular trash.
- Consider recycling options for spent brass cartridges where available.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the appropriate contact points available in your region. Always ensure that you are following the latest guidelines and regulations.

By following these safety instructions and guidelines, you help ensure a safer experience when using Starline 30 M1 Carbine Brass. Thank you for your attention to safety.
