

32-20 WINCHESTER BRASS - STARLINE 32-20 WINCHESTER BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Designed for use in rifles and single action revolvers, this cartridge is making a strong comeback with the advent of cowboy action shooting. This cartridge can also be formed into .25-20, .218 Bee, and with special forming dies, can form a shortened version of the 7.62 Nagant cartridge. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 3220 Winchester Brass

Introduction

Thank you for choosing the 3220 Winchester Brass from Starline. This product is designed for use in rifles and single action revolvers. As with any firearm accessory, it is essential to follow safety guidelines to ensure safe and responsible usage. This guide provides important safety information, precautions, and instructions for the proper handling and disposal of this product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this brass.
- Always use this product in accordance with the manufacturer's instructions and specifications.
- Keep the product out of reach of children and unauthorized users.
- Inspect the brass for any signs of damage before each use.
- Store the brass in a cool, dry place, away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or using firearms.
- Do not exceed the recommended load specifications for your firearm.
- Ensure that your firearm is in good working condition and has been properly maintained.
- Avoid using this brass with firearms that are not designed for the 3220 Winchester cartridge.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Instructions for Installation and Usage

1. **Inspection:** Before loading, inspect each brass case for any cracks, dents, or other defects that could affect performance.
2. **Loading:**
 - Carefully load the brass into the chamber of your firearm according to the manufacturer's specifications.
 - Ensure that the brass is seated properly and securely.
3. **Firing:**
 - Follow all safety protocols for firing your firearm.
 - Be aware of the target and what is beyond it.
4. **PostUse Inspection:** After use, inspect the brass for any signs of damage or wear. Do not reuse damaged brass.
5. **Cleaning:** Clean the brass after use to remove any residue. This helps maintain performance and longevity.

Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Do not throw brass in regular trash; consider recycling options if available in your area.
- Ensure that any disposed brass is rendered unusable to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact points as provided in the product documentation.

Thank you for prioritizing safety while using the 3220 Winchester Brass. Your responsible handling contributes to a safer shooting environment for everyone.
