Safety Instruction Guide for 38 Long Colt Brass Starline

Introduction

Thank you for choosing Starline's 38 Long Colt Brass. This product is designed for safe and effective use in firearms chambered for .38 Special and .357 Magnum. To ensure your safety and the safety of others, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place away from direct sunlight and out of reach of children.
- Use only in firearms that are specifically designed for .38 Long Colt cartridges.
- Inspect ammunition for any signs of damage or defects before use.
- Follow all local and national laws regarding the use and storage of ammunition.
- Be aware of your surroundings when handling firearms and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before inserting the brass case.
- Use appropriate eye and ear protection when firing.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed brass cases, as they may cause malfunctions or accidents.
- Keep fingers away from the trigger until ready to fire.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the correct firearm that is compatible with .38 Long Colt cartridges.
- Gather necessary safety equipment, including eye protection and ear protection.

2. Loading the Firearm:

- Open the action of the firearm and ensure it is unloaded.
- Insert the 38 Long Colt Brass into the chamber according to the manufacturer's instructions for your specific firearm.
- Close the action securely.

3. Firing:

- Aim the firearm at a safe target, ensuring there is a proper backstop.
- With your finger outside the trigger guard, check your surroundings.
- When ready, place your finger on the trigger and squeeze gently to fire.

4. PostFiring:

- After firing, keep the firearm pointed in a safe direction.
- Open the action and remove any spent brass cases.
- Inspect the firearm and ammunition for any signs of damage.

Disposal Instructions

- Dispose of spent brass cases in accordance with local regulations.
- Do not attempt to reuse or recycle damaged brass cases.
- Ensure that all waste is disposed of in a manner that is safe and environmentally friendly.

Contact Information for Further Support

For any questions regarding the safety and use of your 38 Long Colt Brass, please refer to the manufacturer's website or contact your local firearms dealer for more information. Remember to always prioritize safety when handling firearms and ammunition.
