# Safety Instruction Guide for 38 S&W Brass Starline

## Introduction

Thank you for choosing the 38 S&W Brass by Starline. This product is designed for use in firearms specifically chambered for .38 S&W cartridges. It is important to follow these safety guidelines to ensure the safe and effective use of this product.

## General Safety Guidelines

- Always handle all ammunition with care and respect.
- Store ammunition in a cool, dry place, away from heat sources and direct sunlight.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect brass cases before use for any signs of damage or defects.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

## Specific Safety Precautions for Use

- This brass is specifically designed for .38 S&W and should NOT be used in .38 Special firearms.
- Ensure that your firearm is in good working condition and properly maintained before use.
- Always wear appropriate eye and ear protection when shooting.
- Do not exceed the manufacturer's recommended load specifications.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Inspect the Brass:

- Check for any visible damage or defects.
- Ensure that the brass is clean and free of obstructions.

### 2. Loading the Brass:

- Use appropriate reloading equipment and follow the manufacturer's instructions for loading.
- Ensure that the correct amount of powder is used for the .38 S&W cartridge.

### 3. Using the Brass:

- Load the brass into your firearm according to the manufacturer's guidelines.
- Always ensure that the firearm is pointed in a safe direction when loading.

### 4. Shooting:

- Fire the firearm in a controlled environment, ensuring that all safety protocols are followed.
- After firing, inspect the brass for any signs of damage or deformation.

### 5. PostUse Inspection:

- After use, clean the brass according to recommended practices for reloading.
- Store the brass safely until it is ready for reloading or disposal.

## **Disposal Instructions**

- Dispose of damaged or unusable brass according to local regulations.
- Do not throw brass in regular household waste; check for recycling options for metal materials.
- Ensure that all spent cartridges are handled safely to prevent accidents.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please reach out to the appropriate EUbased contact point for assistance.

## **Conclusion**

Following these guidelines will help ensure your safety and the effective use of the 38 S&W Brass by Starline. Always prioritize safety and responsibility when handling ammunition. Thank you for your attention to these important safety instructions.
