

# 38 SHORT COLT BRASS - STARLINE 38 SHORT COLT BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

Basically a shortened 38 Special. NOT a substitute for 38 S&W. Can be fired in most guns chambered for .38 Special or .357 Magnum. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 38 SHORT COLT BRASS STARLINE

## Introduction

Thank you for choosing the 38 SHORT COLT BRASS by Starline. This product is designed to provide reliable performance for your shooting needs. However, it is essential to follow safety guidelines to ensure a safe and enjoyable experience. This guide outlines important safety instructions and precautions to help you use this product responsibly.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically chambered for .38 Special or .357 Magnum.
- Do not use this ammunition as a substitute for 38 S&W.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition before use.
- Inspect ammunition for any signs of damage or defects before loading.
- Do not attempt to modify or alter the ammunition in any way.
- Always follow the manufacturer's instructions for your specific firearm.
- Do not exceed the recommended load limits for your firearm.
- Avoid using ammunition that has been stored improperly or for extended periods.
- If a round fails to fire, wait at least 30 seconds before attempting to eject it.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Open the action of the firearm and ensure it is clear of any obstructions.
- Insert the ammunition into the magazine or chamber according to the manufacturer's instructions.
- Close the action securely.

### 2. Firing the Ammunition:

- Position yourself in a stable shooting stance.
- Aim the firearm safely downrange.
- Engage the safety mechanism (if applicable) before firing.
- Pull the trigger smoothly to fire the round.

### 3. After Firing:

- Always keep the firearm pointed in a safe direction until you are ready to unload.
- Open the action and inspect the chamber to ensure it is empty.
- Dispose of any spent casings properly.

## **Disposal Instructions**

- Dispose of used or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Check with local authorities or waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please refer to the contact information provided by your retailer or local authorities. Always ensure you have the most current and relevant information for your safety.

## **Conclusion**

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your 38 SHORT COLT BRASS ammunition. Remember that safety is paramount when handling firearms and ammunition. Thank you for your attention to these important safety measures.
