

# 38 SUPER COMP BRASS - STARLINE 38 SUPER COMP BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

The .38 Super Comp is a heavy duty rimless 38 Super. Similar internal capacity to 38 Super. Designed to enhance feeding reliability in high capacity magazines of competition raceguns chambered for .38 Super. May require minor extractor tuning in some firearms. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for .38 Super Comp Brass

## Introduction

Thank you for choosing the .38 Super Comp Brass by Starline. This guide provides essential safety instructions to ensure the safe use of this product. Please read this entire document carefully before handling or using the brass cases.

## General Safety Guidelines

- Ensure safe handling and use of all nonfood products.
- Be aware of potential risks associated with the use of brass cases.
- Regularly check for any recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to local authorities.
- If you have any safety inquiries, please reach out to your local EU contact point.

## Specific Safety Precautions for Use

- Always handle brass cases with care to avoid injury.
- Use only in firearms that are specifically chambered for .38 Super Comp.
- Inspect brass cases for any signs of damage or defects before use.
- Ensure that your firearm is in proper working condition and regularly maintained.
- If you experience any feeding issues, minor extractor tuning may be required; consult a qualified gunsmith if unsure.
- Keep brass cases out of reach of children and vulnerable individuals.

## Instructions for Installation and Usage

### 1. Inspect the Brass:

- Check each brass case for cracks, dents, or deformities.
- Discard any damaged brass cases immediately.

### 2. Loading the Brass:

- Use a reliable reloading manual for guidance on loading .38 Super Comp brass.
- Follow all recommended specifications for powder type, charge, and bullet seating depth.

### 3. Firing the Brass:

- Ensure your firearm is clean and properly lubricated.
- Load the brass into a magazine designed for .38 Super Comp.
- Insert the magazine into the firearm and ensure it is securely locked in place.
- Follow all standard safety procedures while handling and firing your firearm.

### 4. PostFiring Inspection:

- After firing, inspect the brass cases for signs of excessive wear or damage.
- Clean the brass cases thoroughly after use to ensure longevity and reliability.

## **Disposal Instructions**

- Dispose of damaged or worn brass cases responsibly.
- Check local regulations for proper disposal methods of spent brass.
- Consider recycling options for brass cases if available in your area.

## **Contact Information for Further Support**

For any further inquiries related to safety or product support, please refer to your local EU contact point for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your .38 Super Comp Brass responsibly and safely.
