

# 400 COR-BON BRASS - STARLINE 400 COR-BON BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

400 Cor-Bon case is a 45 Auto +P based case necked down to 40 caliber. The primer pocket was changed from large pistol primer to a small pistol/rifle primer. Test results concluded no adverse affect from switching to small primer pocket. Cor-Bon recommends using Winchester Small Pistol Primers or Remington 7 1/2 primers. Most popular auto pistols chambered for the .45 Auto can be converted to the .400 Cor-Bon cartridge. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

## Attributes

- Name: [STARLINE 400 COR-BON BRASS 100/BAG](#)
- Manufacturer: [STARLINE](#)
- Product no.: 749018119
- Mfr. No.:

# Safety Instruction Guide for 400 CORBON BRASS STARLINE 400 CORBON BRASS

## Introduction

Thank you for choosing the 400 CorBon Brass from Starline. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to read and understand this information before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of all components related to ammunition. Follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls. If a recall occurs, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra caution should be taken when the product is used in the presence of children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle ammunition with care. Treat every cartridge as if it is loaded.
- **Storage:** Store the brass cases in a cool, dry place away from direct sunlight and moisture.
- **Inspection:** Before use, inspect each brass case for signs of damage or wear. Do not use damaged cases.
- **Use Appropriate Primers:** Only use Winchester Small Pistol Primers or Remington 7 1/2 primers as recommended.
- **Compatibility:** Ensure that your firearm is compatible with the .400 CorBon cartridge before use.
- **Avoid Overpressure Loads:** Follow all loading data closely to avoid creating overpressure situations.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that your reloading equipment is clean and in good working order.
  - Insert the appropriate primer into the primer pocket of the brass case.
  - Follow standard reloading procedures to complete the assembly of your ammunition.
- **Usage:**
  - Load the ammunition into a compatible firearm only when you are ready to shoot.
  - Always point the firearm in a safe direction and be aware of your surroundings.
  - After firing, inspect the firearm for any malfunctions before reloading.

## Disposal Instructions

- **Brass Cases:** Dispose of used brass cases responsibly. Recycle where possible.
- **Hazardous Materials:** If any components are damaged or contain hazardous materials, follow local regulations for disposal.

## Contact Information for Further Support

For any additional questions or concerns regarding the 400 CorBon Brass, please refer to the manufacturer's contact details or website for support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 400 CorBon Brass from Starline. Always prioritize safety and compliance with local laws and regulations when using ammunition.
