

41 SPECIAL BRASS - STARLINE 41 SPECIAL BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

The .41 Special is a shortened version of the .41 Magnum. This cartridge was originated by the late Elmer Keith by simply trimming the .41 Magnum down to the same length as .44 Special and .38 Special. Custom pistolsmiths such as Hamilton Bowen have built custom revolvers for this caliber out of mid-size .357 Magnum revolvers to create big power in a smaller frame. This case can also be used in any firearm designed for the .41 Magnum and would work excellent for light plinking loads. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 41 SPECIAL BRASS

STARLINE 41 SPECIAL BRASS 100/BAG

Introduction

Thank you for choosing the 41 Special Brass Starline Brass 100/BAG. This product is designed for use in firearms chambered for the .41 Special and .41 Magnum cartridges. It is essential to follow the safety guidelines outlined in this document to ensure safe and proper handling of this product.

General Safety Guidelines

- Always treat all ammunition components as if they are live.
- Keep ammunition out of reach of children and unauthorized persons.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Inspect brass cases before use for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Ensure that you are using the correct caliber and type of ammunition for your firearm.
- Use personal protective equipment (PPE), such as safety glasses and hearing protection, when handling ammunition and firearms.

Specific Safety Precautions for Use

- Verify that your firearm is in good working condition and is designed for the .41 Special or .41 Magnum cartridge.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed brass cases, as this can lead to malfunctions or accidents.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- Do not attempt to modify or alter the brass cases in any way.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- If you experience any malfunctions or unusual behavior while using your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. **Inspection:** Before loading, inspect each brass case for any signs of damage or defects. Discard any cases that show wear, corrosion, or deformation.
2. **Loading:**
 - Ensure that your reloading equipment is clean and properly set up.
 - Use the appropriate powder and bullet for the .41 Special cartridge.
 - Follow recommended reloading data for the .41 Special to avoid overloading.
3. **Firing:**
 - Load the brass case into the firearm's chamber according to the manufacturer's instructions.
 - Ensure the firearm is pointed in a safe direction before pulling the trigger.
 - After firing, check the brass case for signs of damage or excessive expansion.
4. **Storage:**
 - Store unused brass cases in a cool, dry location.
 - Keep brass cases in their original packaging or a suitable container to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not discard brass cases in regular trash; instead, consider recycling them as many scrap metal facilities accept brass.
- Follow local guidelines for the disposal of any hazardous materials associated with ammunition.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 41 Special Brass Starline product, please consult your local firearms dealer or a qualified gunsmith. Additionally, you can check the EU's Safety Gate platform for updates on product recalls and safety notices.

By following these guidelines, you can ensure a safer experience while using the 41 Special Brass Starline Brass 100/BAG. Your safety and the safety of those around you is our top priority. Thank you for your attention to these important instructions.
