

414 SUPER MAGNUM BRASS - STARLINE 414 SUPER MAGNUM BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

Designed for silhouette shooting, this cartridge is basically a heavy-duty, lengthened version of the .41 Magnum. Firearms for this caliber have been produced by Dan Wesson and Thompson/Center. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

414 SUPER MAGNUM BRASS Safety Instruction Guide

Introduction

Thank you for choosing the 414 SUPER MAGNUM BRASS manufactured by Starline. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before using the product to understand how to handle it safely and responsibly.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Always wear appropriate eye and ear protection when handling or shooting firearms.
- Ensure that you are familiar with your firearm's operation manual and safety features.
- Do not exceed the recommended load specifications for your firearm.

Specific Safety Precautions for Use

- Only use this ammunition in firearms specifically designed for the 414 Super Magnum caliber.
- Inspect each cartridge before use for any signs of damage or defects.
- Do not attempt to modify or reload this ammunition.
- If a cartridge fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.
- Always check your firearm for obstructions before loading and firing.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Instructions for Installation and Usage

1. Loading the Firearm:

- Open the action of your firearm.
- Insert the cartridges into the magazine or chamber as per your firearm's manual.
- Ensure that the cartridges are seated properly and securely.

2. Firing the Firearm:

- Ensure that you are in a safe shooting environment.
- Aim at a designated target, ensuring that there are no obstructions or people in the line of fire.
- Firmly grip the firearm and ensure your finger is off the trigger until ready to fire.
- Squeeze the trigger gently to fire the ammunition.

3. PostFiring Procedures:

- After firing, keep the firearm pointed in a safe direction.
- Open the action and remove any spent cartridges.
- Inspect the firearm for any malfunctions or obstructions.

Disposal Instructions

- Dispose of spent cartridges and any damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; check for local hazardous waste disposal options.
- If unsure about disposal methods, contact local authorities for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the 414 SUPER MAGNUM BRASS, please refer to the product packaging for contact details or consult your local firearms dealer.

Please remember: Your safety and the safety of others is paramount. Always prioritize safe handling practices when using firearms and ammunition.
