

45 AUTO +P BRASS - STARLINE 45 AUTO +P BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

The 45 Auto +P is a strengthened version of the 45 Auto with the same external dimensions. A thicker web and heavier sidewall at base strengthens the case in potentially unsupported areas. This case has approximately 2 grains less internal water capacity than the standard 45 Auto. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 45 AUTO +P BRASS STARLINE 45 AUTO +P BRASS 100/BAG

Introduction

Thank you for choosing the 45 AUTO +P BRASS STARLINE 45 AUTO +P BRASS. This product is designed for use in firearms and should be handled with care. This guide provides important safety instructions to ensure your product is used safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and out of reach of children.
- Use only in firearms that are designed for the 45 Auto +P cartridge.
- Follow all local laws and regulations regarding the use of ammunition.
- Inspect your ammunition before use. Do not use any cartridges that appear damaged or corroded.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are using the correct type of ammunition for your firearm.
- Wear appropriate eye and ear protection while shooting.
- Always keep the muzzle of the firearm pointed in a safe direction.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Do not attempt to modify or alter the ammunition in any way.
- If a misfire occurs, wait at least 30 seconds before attempting to clear the firearm.

Instructions for Installation and Usage

- **Installation:**
 - Ensure your firearm is unloaded before installing any ammunition.
 - Load the ammunition into the magazine according to the manufacturer's instructions for your specific firearm model.
- **Usage:**
 - Always follow the manufacturer's instructions for operating your firearm.
 - Fire only in designated areas that are safe for shooting.
 - Keep the firearm clean and wellmaintained to ensure proper functioning.
 - After firing, ensure the firearm is cleared and stored safely.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in the regular trash.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 45 AUTO +P BRASS STARLINE 45 AUTO +P BRASS, please refer to your retailer or manufacturer for assistance. Ensure that you have the product details available for any inquiries.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your 45 AUTO +P BRASS STARLINE 45 AUTO +P BRASS.
