

# 45 S&W SCHOFIELD BRASS - STARLINE 45 S&W SCHOFIELD BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

45 Schofield is similar to the 45 Colt. Differences include head diameter approximately .010" larger, a case length of 1.090" to 1.100" compared to 1.273" to 1.283" in the .45 Colt. Substantially less internal capacity for shooting light loads in most 45 Colt guns with no modifications. Some fine tuning of the firearm may be needed. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 45 S&W Schofield Brass

## Introduction

Thank you for choosing the 45 S&W Schofield Brass by Starline. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these instructions carefully to minimize risks associated with handling and using brass cartridges.

## General Safety Guidelines

- Always treat all brass cartridges as if they are loaded.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Keep brass cartridges out of reach of children and unauthorized persons.
- Inspect brass cartridges for any signs of damage or corrosion before use.
- Use only in firearms that are designed for the 45 S&W Schofield cartridge.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

## Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition and properly maintained.
- Wear appropriate protective gear, including safety glasses and hearing protection, when using firearms.
- Do not exceed the recommended load specifications for the 45 S&W Schofield cartridge.
- Avoid using light loads in firearms not specifically designed for them, as this may cause malfunctions or damage.
- If you experience any misfires or malfunctions, follow the manufacturer's instructions for addressing these issues safely.
- Be aware of your surroundings and ensure that you are in a safe location when firing a weapon.

## Instructions for Installation and Usage

### 1. Preparation

- Verify that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary equipment, including the brass cartridges and any reloading tools if applicable.

### 2. Loading the Brass

- Carefully insert the brass cartridges into the firearm's chamber or magazine as per the firearm's instructions.
- Ensure that each cartridge is seated properly to avoid any misfires.

### 3. Firing the Firearm

- Once loaded, ensure that the firearm is in a safe position.
- Follow the manufacturer's instructions for operating the firearm.
- Always keep your finger off the trigger until you are ready to shoot.

### 4. PostUse Care

- After use, clean the firearm according to the manufacturer's guidelines.
- Inspect the brass cartridges for any signs of wear or damage.

- Store the brass cartridges safely until they are ready for the next use.

## **Disposal Instructions**

- Dispose of damaged or unusable brass cartridges in accordance with local regulations.
- Do not throw brass cartridges in the regular trash; instead, use designated recycling or hazardous waste disposal facilities.
- If you are unsure about how to dispose of brass cartridges, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 45 S&W Schofield Brass, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your 45 S&W Schofield Brass. For additional information, please consult the manufacturer's resources or contact them directly. Always prioritize safety when handling firearms and ammunition. Thank you for choosing Starline.
