

45 SUPER BRASS - STARLINE 45 SUPER BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

45 Super is the same externally as the 45 Auto, but has a thicker web, denser grain structure in the metal, and special heat treat process that enhances the durability of the case. Similar internal capacity as the 45 Auto. Load to be shot ONLY in guns modified professionally to handle extreme pressures of this cartridge. DO NOT SHOOT IN STANDARD 45 AUTO! Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 45 SUPER BRASS STARLINE 45 SUPER BRASS

Introduction

Thank you for choosing the 45 SUPER BRASS STARLINE 45 SUPER BRASS. This guide provides important safety information and instructions to ensure safe and effective use of this product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure compliance with all local laws and regulations regarding ammunition usage.
- Always handle ammunition with care, treating it as if it is live at all times.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly check for any signs of damage or defects before use.
- If you suspect any issues with the ammunition, do not use it and contact a professional.

Specific Safety Precautions for Use

- **Professional Modification Required:** The 45 Super cartridge is designed to be used ONLY in firearms that have been professionally modified to handle the extreme pressures associated with this cartridge.
- **Do Not Use in Standard 45 Auto:** DO NOT shoot this ammunition in standard 45 Auto firearms, as it may cause serious injury or damage.
- **Check Firearm Compatibility:** Always verify that your firearm is compatible with 45 Super cartridges before use.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when shooting.
- **Follow Manufacturer Guidelines:** Adhere strictly to the loading and usage guidelines provided by the firearm manufacturer.

Instructions for Installation and Usage

1. Inspect the Ammunition:

- Before loading, inspect the brass for any signs of damage or defects.
- Ensure that the ammunition is clean and free of foreign materials.

2. Loading the Ammunition:

- Load the ammunition into the firearm in accordance with the manufacturer's instructions.
- Ensure that the firearm is pointed in a safe direction at all times during loading.

3. Shooting:

- Only shoot at designated ranges or safe areas.
- Keep the firearm pointed downrange and away from yourself and others when loading and shooting.

4. PostShooting Procedures:

- After shooting, ensure that the firearm is unloaded before handling or cleaning.
- Store any unused ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities or hazardous waste disposal facilities for guidance.
- If you have any concerns about disposal, consult with a professional or local law enforcement.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to the manufacturer or your local authority.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can help ensure safe usage of the 45 SUPER BRASS STARLINE 45 SUPER BRASS. Always prioritize safety and consult professionals if you have any doubts or questions. Thank you for your attention to these important safety measures.
