

12.7X42MM BRASS - STARLINE 12.7X42MM BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 12.7x42mm is a powerful big bore cartridge designed for use in AR style rifles. The brass case is essentially a lengthened 50 AE (1.650 long) with a rebated 7.62x39 style head. This brass case is designed to use a large magnum pistol primer. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 12.7X42MM BRASS STARLINE

Introduction

Thank you for purchasing the 12.7X42MM BRASS STARLINE. This powerful big bore cartridge is designed for use in AR style rifles. Your safety is our priority, and this guide provides essential information on how to safely use and handle this product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed for 12.7X42MM cartridges.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded when inserting or removing ammunition.
- Do not mix different types of ammunition; always use the specified cartridge.
- Check the barrel and action of the firearm for obstructions before loading.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or corroded ammunition.
- Do not use ammunition that has been exposed to excessive heat or moisture.
- If a misfire occurs, wait at least 30 seconds before attempting to eject the cartridge.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm.
- Insert the 12.7X42MM BRASS cartridge into the chamber or magazine as specified by the firearm manufacturer.
- Close the action securely.

2. Firing the Firearm:

- Always maintain a proper shooting stance and grip.
- Aim at the intended target, ensuring a clear background.
- Follow the manufacturer's instructions for firing the weapon.
- Squeeze the trigger gently to avoid jerking the firearm.

3. Unloading the Firearm:

- After firing, point the firearm in a safe direction.
- Open the action and remove any remaining cartridges from the chamber and magazine.
- Visually inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of spent cartridges and packaging materials in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact local authorities or hazardous waste disposal services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the EU contact point provided with your purchase.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 12.7X42MM BRASS STARLINE ammunition. Always prioritize safety and adhere to all guidelines provided. Thank you for choosing our product.
