

50-70 GOVERNMENT BRASS - STARLINE 50-70 GOVERNMENT BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Originally designed for blackpowder, this obsolete vintage cartridge is again rising in popularity due to the advent of cowboy action shooting and Blackpowder Silhouette competition. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 5070 Government Brass

Introduction

Thank you for choosing Starline 5070 Government Brass. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure safe handling and storage of all brass cartridges.
- Familiarize yourself with the specific characteristics of the 5070 Government cartridge.
- Always follow firearm safety rules when using this product.
- Be aware of potential hazards associated with the use of ammunition.
- Report any incidents or unsafe products to the relevant authorities.

Specific Safety Precautions for Use

- Only use the 5070 Government Brass in firearms specifically designed for this cartridge.
- Inspect brass cases for any signs of damage or wear before use.
- Wear appropriate protective eyewear when loading and shooting.
- Keep ammunition out of reach of children and unauthorized users.
- Avoid exposure to moisture and extreme temperatures to maintain the integrity of the brass.
- Follow the manufacturer's loading guidelines to prevent overpressure situations.

Instructions for Installation and Usage

1. Loading the Brass:

- Ensure your workspace is clean and organized.
- Use only the recommended powder and bullet specifications for the 5070 Government cartridge.
- Carefully insert the primer into the brass case.
- Fill the case with the appropriate powder charge.
- Seat the bullet firmly into the case mouth, ensuring it is secure.

2. Firing the Ammunition:

- Always check that the firearm is in good working condition before use.
- Load the brass cartridges into the firearm as per the manufacturer's instructions.
- Ensure the firearm is pointed in a safe direction when firing.
- Keep your finger off the trigger until ready to shoot.

3. PostFiring:

- After firing, allow the firearm to cool down before handling.
- Inspect fired brass for signs of damage or deformation.
- Store fired brass safely until you are ready to clean and reload.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not discard brass in regular household waste. Check for local recycling programs that accept brass.
- Follow all safety guidelines when handling spent cartridges.

Contact Information for Further Support

For any inquiries regarding safety or product information, please consult the Starline website or contact your local distributor. Ensure you have the product details on hand when seeking assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your 5070 Government Brass. Always prioritize safety and stay informed about best practices in ammunition handling. Thank you for choosing Starline, where quality and safety are our top priorities.
