

50-90 SHARPS BRASS - STARLINE 50-90 SHARPS BRASS 50/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Originally designed for blackpowder, this obsolete vintage cartridge is again rising in popularity due to the advent of cowboy action shooting and Blackpowder Silhouette competition. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 5090 SHARPS BRASS STARLINE 5090 SHARPS BRASS 50/BAG

Introduction

Thank you for choosing the 5090 Sharps Brass from Starline. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. It is important to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition with care and in accordance with local laws and regulations.
- Ensure that you are using the correct type of ammunition for your firearm.
- Store ammunition in a cool, dry place away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized individuals.
- Regularly inspect your ammunition for any signs of damage or deterioration.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the ammunition, read the firearm's manual and follow the manufacturer's guidelines.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that the firearm is in good working condition before use.
- Never point a firearm at anything you do not intend to shoot.
- Do not consume alcohol or drugs before or while handling firearms or ammunition.
- Be aware of your surroundings and ensure that you are in a safe area when shooting.

Instructions for Installation and Usage

1. Loading the Ammunition:

- Ensure the firearm is unloaded before loading any ammunition.
- Carefully insert the 5090 Sharps Brass cartridges into the magazine or chamber as per the firearm's instructions.
- Do not force cartridges into the chamber; they should fit smoothly.

2. Firing the Ammunition:

- After loading, check that the firearm is pointed in a safe direction.
- Follow the firearm's firing procedures, ensuring that the safety is engaged until you are ready to shoot.
- Fire only in designated shooting areas and follow all local regulations.

3. PostUse Handling:

- After shooting, always treat the firearm as if it is loaded.
- Clear the firearm and remove any remaining ammunition safely.
- Clean the firearm according to the manufacturer's instructions.

Disposal Instructions

- Dispose of used brass casings and any damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; check for local hazardous waste collection events.
- Contact local authorities for guidance on proper disposal methods for ammunition.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the appropriate EUbased contact point or consult local authorities.

By following these guidelines, you can ensure a safer experience while using the 5090 Sharps Brass. Thank you for your commitment to safety.
