

7.62X25 TOKAREV BRASS - STARLINE 7.62X25 TOKAREV BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

This case is very similar, except for the difference in length, to the .30 Mauser. Starline recommends using bullets of .308" diameter in their brass. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 7.62X25 Tokarev Brass by Starline

Introduction

Thank you for choosing the 7.62X25 Tokarev Brass manufactured by Starline. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. It is important to follow these guidelines to minimize risks and ensure a safe experience.

General Safety Guidelines

- Ensure that all users are familiar with the handling of ammunition components.
- Always store ammunition in a cool, dry place away from direct sunlight.
- Keep out of reach of children and unauthorized users.
- Regularly check for product recalls and safety updates through the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or using ammunition.
- Ensure that the firearm used is compatible with the 7.62X25 Tokarev cartridge.
- Do not exceed the recommended load specifications provided by the firearm manufacturer.
- Inspect the brass cases for any signs of damage or defects before use.
- Never attempt to modify or alter the brass cases in any way.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have a clean and safe workspace.
- Gather all necessary tools and safety equipment before beginning.

2. Loading the Ammunition:

- Carefully load the brass cases with the appropriate bullets of .308" diameter as recommended by Starline.
- Follow the specific loading guidelines provided by your reloading manual.

3. Firing:

- Load the ammunition into the firearm according to the manufacturer's instructions.
- Always check that the firearm is in good working condition before firing.
- Maintain a safe distance from others while firing.

4. PostUse:

- After use, ensure that all spent brass is collected and disposed of properly.
- Clean the firearm as per the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- Dispose of used brass cases in accordance with local regulations.
- Do not discard brass cases in regular household waste.
- Consider recycling options for spent brass to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional information regarding the 7.62X25 Tokarev Brass, please consult the manufacturer's official website or contact your local retailer. Always prioritize safety and compliance with local regulations.

By following these guidelines, you can ensure a safe and responsible experience with your 7.62X25 Tokarev Brass. Thank you for your attention to these important safety measures.
