

# 9X21MM BRASS - STARLINE 9X21MM BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

Designed for use in countries that banned the use of handguns in military chamberings, the 9x21mm required only minor chamber reaming of firearms built for 9x19mm. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 9X21MM BRASS STARLINE

## Introduction

Thank you for choosing the 9X21MM BRASS STARLINE. This product is designed for use in firearms that are compatible with 9x21mm cartridges. It is important to follow safety guidelines to ensure proper use and to minimize risks associated with handling ammunition. This guide provides essential safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of causing harm.
- Store ammunition in a cool, dry place away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect ammunition before use for any signs of damage or defects.
- Use only in firearms specifically designed for 9x21mm cartridges.
- Follow all local laws and regulations regarding firearm and ammunition use.

## Specific Safety Precautions for Use

- Ensure your firearm is unloaded when inserting or removing ammunition.
- Wear appropriate eye and ear protection when handling firearms.
- Do not use ammunition that appears corroded, dented, or damaged.
- Never mix different types of ammunition.
- Avoid using ammunition that has been stored in extreme temperatures or humidity.
- If you experience a misfire, wait at least 30 seconds before attempting to remove the cartridge.

## Instructions for Installation and Usage

### 1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm.
- Insert the 9x21mm brass cartridge into the magazine or chamber as per the firearm's specifications.
- Close the action securely.

### 2. Firing the Firearm:

- Ensure the firearm is aimed at the intended target.
- Keep your finger off the trigger until you are ready to shoot.
- Follow the manufacturer's instructions for firing the specific firearm.

### 3. Unloading the Firearm:

- Point the firearm in a safe direction.
- Open the action to eject any remaining cartridges.
- Inspect the chamber to ensure it is clear.

### 4. Cleaning and Maintenance:

- Clean your firearm regularly according to the manufacturer's recommendations.

- Inspect the brass cases for wear or damage after use.

## **Disposal Instructions**

- Dispose of empty brass cases in accordance with local regulations.
- Do not throw live ammunition in the trash.
- Contact your local waste management authority for proper disposal methods of unwanted or damaged ammunition.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 9X21MM BRASS STARLINE, please refer to the appropriate EU contact point for safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safer experience while using the 9X21MM BRASS STARLINE ammunition. Always prioritize safety and stay informed about updates and recalls related to your products. For further information on safety regulations, please consult the EU's Safety Gate platform. Thank you for your attention to these important safety guidelines.
