

# 9MM LUGER +P BRASS - STARLINE 9MM LUGER +P BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

9mm Luger +P has no difference from the standard 9mm Luger other than headstamp designation for load segregation. Due to standard case design, it will handle +P pressures with no problems. **\*\*NOT RECOMMENDED FOR USE IN S&W SHIELD PISTOLS WITH NEAR-MAX OR +P LOADS, DUE TO UNSUPPORTED CHAMBER CONDITIONS\*\*** Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 9MM LUGER +P BRASS

## Introduction

Thank you for choosing the 9MM Luger +P Brass by Starline. This product is designed for use in firearms chambered for the 9mm Luger cartridge. It is important to read and understand these safety instructions to ensure safe handling and use of the product.

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of causing injury.
- Store ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed and rated for 9mm Luger +P ammunition.
- Regularly inspect your firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

## Specific Safety Precautions for Use

- **Not Recommended for Use in S&W Shield Pistols:** This ammunition is not advised for use in S&W Shield pistols with nearmax or +P loads due to unsupported chamber conditions, which could lead to dangerous malfunctions.
- **Headstamp Designation:** The headstamp designation is for load segregation. Ensure you are using the correct ammunition for your specific firearm.
- **Handling Precautions:**
  - Always wear appropriate eye and ear protection while shooting.
  - Avoid placing fingers near the trigger until ready to shoot.
  - Keep the firearm pointed in a safe direction at all times.
- **Loading and Unloading:**
  - Follow the manufacturer's instructions for loading and unloading your firearm.
  - Ensure the firearm is pointed in a safe direction while loading and unloading.

## Instructions for Installation and Usage

- **Installation:**
  - No special installation is required for this ammunition. Simply load the cartridges into the magazine or chamber of your firearm according to the manufacturer's guidelines.
- **Usage:**
  - Ensure that the firearm is in good working order and that you are familiar with its operation.
  - Load the ammunition carefully, ensuring that it is seated properly in the magazine or chamber.
  - Fire the ammunition only in a safe environment, adhering to all shooting range rules and regulations.
- **PostUse:**
  - After use, ensure that all spent casings are collected and disposed of properly.
  - Clean your firearm according to the manufacturer's instructions to maintain its performance and safety.

## Disposal Instructions

- Dispose of spent casings and any unused ammunition in accordance with local regulations.
- Do not discard ammunition in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 9MM Luger +P Brass, please refer to the manufacturer or your local firearms dealer for assistance.

## **Conclusion**

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 9MM Luger +P Brass ammunition. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
