

# 6.8MM REMINGTON SPC BRASS - STARLINE 6.8MM REM SPC BRASS 500/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 6.8 SPC was designed for the military as a cartridge that landed between the 5.56mm NATO and the 7.62mm NATO to be used in the AR-15/M-4 platform. It loses very little magazine capacity versus the 5.56mm (25 vs. 30 rounds), but has better knockdown power without much more recoil. This caliber works very well in short barreled rifles and is an easy conversion for an AR-15, requiring only a barrel, bolt, and magazine swap. For someone looking for an AR-15 for hunting, this caliber is a logical choice, especially for recoil-sensitive shooters. Starline brass is safe to use in both 6.8 SPC and 6.8 SPC II chambers.

## Attributes

- Name: [STARLINE 6.8MM REM SPC BRASS 500/BAG](#)
- Manufacturer: [STARLINE](#)
- Product no.: 749018152
- Mfr. No.: 3240
- Cartridge: 6.8 mm Remington SPC
- Rounds: 500
- Quantity: 500
- Delivery weight: 4.096kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 229mm

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 6.8MM Remington SPC Brass

## Introduction

Thank you for choosing the 6.8MM Remington SPC Brass from Starline. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read and follow these instructions carefully to avoid potential hazards.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling and use of ammunition.
- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms specifically chambered for 6.8MM Remington SPC.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not exceed the manufacturer's recommended load specifications.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point a firearm at anything you do not intend to shoot.
- Do not attempt to modify or alter the ammunition in any way.
- If a cartridge fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.
- In case of a misfire or hangfire, follow proper procedures for handling these situations.

## Instructions for Installation and Usage

- Ensure that your firearm is unloaded before handling ammunition.
- Check that the barrel is clear of obstructions before loading.
- Load the ammunition into the magazine according to the manufacturer's instructions.
- Insert the magazine into the firearm and chamber a round as per the firearm's operating manual.
- Follow the manufacturer's guidelines for firing the firearm, including stance, grip, and aiming.
- After use, ensure that the firearm is cleaned and maintained according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in the trash or discard it in any manner that could pose a safety risk.
- Contact local authorities or a licensed disposal service for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety or use of this product, please reach out to the appropriate local authorities or a qualified professional.

By following these safety instructions, you help ensure a safe and enjoyable experience with your 6.8MM Remington SPC Brass. Stay safe and responsible while enjoying your shooting activities.
