

## 7.62X39MM BRASS - STARLINE 7.62X39MM BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 7.62x39mm was developed in Russia as a mid-size military cartridge and is among the most widespread military cartridges used today. The AK47 and its variants, along with the SKS, have made this cartridge very popular in the civilian market due to the sheer number of affordable surplus firearms available. Brass is sized for use with standard 0.311" diameter bullets, it will need to be neck sized if used with 0.308" diameter bullets. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 7.62X39MM BRASS STARLINE

## Introduction

Thank you for choosing the 7.62X39MM BRASS STARLINE. This product is designed for use in firearms and is manufactured with highquality materials to ensure optimal performance. It is essential to follow the safety guidelines provided in this document to ensure safe usage and compliance with EU regulations.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly inspect ammunition for any signs of damage or corrosion.
- Never use ammunition that appears damaged or is from an unknown source.
- Ensure you are using the correct caliber and type of ammunition for your firearm.
- Be aware of your surroundings when handling or firing ammunition.

## Specific Safety Precautions for Use

- Ensure the firearm is in good working condition before use.
- Always wear appropriate eye and ear protection while shooting.
- Do not attempt to modify or alter the ammunition in any way.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Be mindful of the potential hazards associated with firing firearms, including ricochet and misfires.
- If a misfire occurs, wait at least 30 seconds before attempting to clear the firearm.
- Always point the firearm in a safe direction when loading or unloading.

## Instructions for Installation and Usage

- Ensure that you are using the correct equipment for loading and unloading ammunition.
- For best results, use standard 0.311" diameter bullets with the brass casing.
- If using 0.308" diameter bullets, ensure the brass is neck sized appropriately.
- Follow the manufacturer's instructions for your specific firearm regarding loading and unloading.
- When loading, ensure that the bullet is seated properly in the casing.
- After loading, check that the firearm is functioning correctly before use.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 7.62X39MM BRASS STARLINE, please refer to the appropriate regulatory body in your EU member state for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your 7.62X39MM BRASS STARLINE ammunition. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important safety instructions.
