

7.62X39MM BRASS - STARLINE 7.62X39MM BRASS 500/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 7.62x39mm was developed in Russia as a mid-size military cartridge and is among the most widespread military cartridges used today. The AK47 and its variants, along with the SKS, have made this cartridge very popular in the civilian market due to the sheer number of affordable surplus firearms available. Brass is sized for use with standard 0.311" diameter bullets, it will need to be neck sized if used with 0.308" diameter bullets. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 7.62X39MM BRASS STARLINE 7.62X39MM BRASS 500/BAG

Introduction

Thank you for choosing the 7.62X39MM BRASS STARLINE. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this document carefully before use to understand the necessary precautions and procedures.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Regularly check for any signs of damage or wear on the ammunition.
- Do not use ammunition that appears damaged or is from an unknown source.
- Be aware of local laws and regulations regarding the possession and use of ammunition.

Specific Safety Precautions for Use

- Ensure that you are using the correct caliber of ammunition for your firearm.
- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting ammunition.
- Never point a firearm at anything you do not intend to shoot.
- Do not consume alcohol or drugs before handling or using ammunition.
- Be cautious of environmental conditions that may affect shooting safety, such as wind or rain.
- Conduct a thorough inspection of your firearm before loading it with ammunition.
- Follow the manufacturer's guidelines for loading and unloading your firearm.

Instructions for Installation and Usage

1. Loading Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and verify that it is empty.
- Insert the 7.62X39MM BRASS cartridges into the magazine as per the firearm's specifications.
- Close the action of the firearm securely.

2. Using Ammunition:

- When ready to shoot, ensure the firearm is aimed at the intended target.
- Squeeze the trigger gently to fire the ammunition.
- After firing, keep the firearm pointed downrange and wait for a few moments to ensure there are no misfires.
- If a misfire occurs, follow the manufacturer's instructions for dealing with it safely.

3. Unloading Ammunition:

- Open the action of the firearm and remove the magazine.
- Eject any remaining cartridges from the chamber.
- Store unused ammunition in a safe location.

Disposal Instructions

- Dispose of any damaged or unused ammunition according to local regulations.
- Do not throw ammunition in the regular trash.
- Contact your local waste management authority for guidance on proper disposal methods.
- Consider taking unused or damaged ammunition to a licensed firearms dealer or local law enforcement for safe disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 7.62X39MM BRASS STARLINE product, please reach out to the appropriate EUbased contact point or your local firearms authority.

Remember to always prioritize safety and adhere to the guidelines provided in this document to ensure a safe and enjoyable experience with your ammunition.
