

## 6.5 GRENDAL BRASS - STARLINE 6.5 GRENDAL BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 6.5 Grendel was designed for use in an AR-15 type rifle to offer ballistics similar to the .308 Winchester, with less recoil. This flat shooting round utilizes the inherently accurate, high ballistic coefficient 6.5mm diameter bullet. Its short case length allows it to use some of the longer, heavier match bullets, making this caliber one of the best choices for long range shooting out of an AR. With proper bullet selection, this caliber is no slouch in the field either, being suitable for deer-size game as well as varmint hunting. Conversion of an AR to 6.5 Grendel requires a new bolt, barrel and magazines to feed the larger diameter cartridge. Several companies offer completed AR uppers and firearms, and reloading dies are readily available. Several manufacturers are now producing bolt action rifles in this caliber, many of which are built on "mini" actions, making for a lightweight rifle with plenty of range.

### Attributes

- Name: [STARLINE 6.5 GRENDAL BRASS 100/BAG](#)
- Manufacturer: [STARLINE](#)
- Product no.: 749018159
- Mfr. No.: 2310
- Cartridge: 6.5 Grendel
- Rounds: 100
- Quantity: 100
- Delivery weight: 0.739kg
- Shipping height: 25mm
- Shipping width: 152mm
- Shipping length: 178mm

### Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 6.5 Grendel Brass

## Introduction

Thank you for choosing the 6.5 Grendel Brass by Starline. This product is designed for use in AR15 type rifles and offers excellent performance for longrange shooting. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store ammunition and firearms securely to prevent unauthorized access, especially from children.
- Regularly inspect your firearm and ammunition for signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use the 6.5 Grendel Brass with firearms that are specifically designed for this caliber.
- Verify that your firearm is in good working condition before use.
- Use appropriate safety gear, including eye and ear protection, when firing.
- Do not exceed the recommended load specifications when reloading ammunition.
- Be aware of your surroundings and ensure that you are in a safe environment when shooting.
- Avoid using this product in wet or humid conditions, as moisture can affect performance.

## Instructions for Installation and Usage

### 1. Installation of New Components

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Replace the bolt, barrel, and magazines with components designed for the 6.5 Grendel caliber.
- Consult your firearm's manual for specific installation instructions.

### 2. Loading and Firing

- Load the 6.5 Grendel Brass into the magazine according to your firearm's specifications.
- Check that the ammunition is seated properly in the magazine.
- When ready to fire, ensure that the firearm is pointed downrange and that the area is clear of obstructions and bystanders.
- Fire the weapon only when you are confident in your target and backstop.

### 3. PostFiring Procedures

- After firing, always check your firearm for any signs of malfunction or damage.
- Clean your firearm and ammunition components regularly to maintain performance and safety.

## Disposal Instructions

- Dispose of any unused or damaged ammunition according to local regulations.
- Do not throw ammunition in the regular trash.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 6.5 Grendel Brass, please refer to the manufacturer's contact information provided on the packaging or product documentation.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your 6.5 Grendel Brass. Remember to stay informed about any updates or recalls regarding this product through the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention to these important guidelines.
