

## 6.5 GRENDAL BRASS - STARLINE 6.5 GRENDAL BRASS 500/BAG

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 6.5 Grendel was designed for use in an AR-15 type rifle to offer ballistics similar to the .308 Winchester, with less recoil. This flat shooting round utilizes the inherently accurate, high ballistic coefficient 6.5mm diameter bullet. Its short case length allows it to use some of the longer, heavier match bullets, making this caliber one of the best choices for long range shooting out of an AR. With proper bullet selection, this caliber is no slouch in the field either, being suitable for deer-size game as well as varmint hunting. Conversion of an AR to 6.5 Grendel requires a new bolt, barrel and magazines to feed the larger diameter cartridge. Several companies offer completed AR uppers and firearms, and reloading dies are readily available. Several manufacturers are now producing bolt action rifles in this caliber, many of which are built on "mini" actions, making for a lightweight rifle with plenty of range.

### Attributes

- Name: [STARLINE 6.5 GRENDAL BRASS 500/BAG](#)
- Manufacturer: [STARLINE](#)
- Product no.: 749018160
- Mfr. No.:
- Cartridge: 6.5 Grendel
- Rounds: 500
- Quantity: 500
- Delivery weight: 3.765kg
- Shipping height: 127mm
- Shipping width: 127mm
- Shipping length: 152mm

# Safety Instruction Guide for 6.5 Grendel Brass

## Introduction

Thank you for choosing the 6.5 Grendel Brass by Starline. This product is designed for use in AR15 type rifles and offers excellent ballistics with reduced recoil. It is important to understand the safety guidelines associated with this product to ensure safe and effective use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Ensure that the area is clear of people and obstacles before firing.
- Store ammunition in a cool, dry place away from direct sunlight.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly inspect your firearm and ammunition for any signs of damage or defects.
- Always follow the manufacturer's instructions for your firearm and ammunition.

## Specific Safety Precautions for Use

- Use only ammunition that is specifically designed for your firearm.
- Ensure that you have the correct bolt, barrel, and magazines for 6.5 Grendel cartridges.
- Be aware of the recoil when firing; practice proper shooting stance and grip.
- Avoid using damaged or defective ammunition.
- Do not exceed the recommended load specifications for reloaded ammunition.
- Be cautious when using firearms in adverse weather conditions.

## Instructions for Installation and Usage

- When converting an AR to 6.5 Grendel:
  - Ensure you have a compatible bolt and barrel.
  - Replace the existing magazines with those designed for 6.5 Grendel.
  - Follow the manufacturer's guidelines for installation to ensure proper fit and function.
- Before firing:
  - Inspect the firearm and ammunition to ensure they are in good condition.
  - Load the firearm only when you are ready to shoot.
- During use:
  - Maintain focus and control while shooting.
  - Be aware of your surroundings and the target area.
  - If a misfire occurs, wait at least 30 seconds before attempting to clear the firearm.

## Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 6.5 Grendel Brass, please refer to the manufacturer's website or customer service for assistance.

## Conclusion

By following these safety guidelines, you can ensure a safe and enjoyable experience with your 6.5 Grendel Brass. Always prioritize safety and be aware of your responsibilities as a firearm owner.
