

# 6MM CREEDMOOR LARGE PRIMER BRASS - STARLINE 6MM CRDMR LG PRIME BRASS 100CT

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 6mm Creedmoor is the little brother to the very popular 6.5 Creedmoor. It has similar ballistics to the .243 Winchester, but its shorter length allows long, heavy bullets to be seated in the magazine. This caliber is an excellent choice for hunting, but its popularity was gained as a competition cartridge. Some of the new competitions, such as the Precision Rifle Series, require a lot of shooting and this cartridge is light recoiling making spotting hits and misses easier for the shooter. This brass features a standard Large Primer pocket for use with Large Rifle Primers.

## Attributes

- Name: [STARLINE 6MM CRDMR LG PRIME BRASS 100CT](#)
- Manufacturer: [STARLINE](#)
- Product no.: 749018161
- Mfr. No.: 3260
- Cartridge: 6mm Creedmoor
- Rounds: 100
- Quantity: 100
- Delivery weight: 1.087kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 229mm

## Item details

Made in USA

US export classification: 0A505.x

# 6MM Creedmoor Large Primer Brass Safety Instruction Guide

## Introduction

Thank you for choosing the 6MM Creedmoor Large Primer Brass by Starline. This guide provides essential safety instructions and guidelines to ensure the safe handling and usage of this product. It is important to follow these instructions to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle brass components with care to avoid injury.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Ensure that all components are free from defects before use.
- Use only approved large rifle primers with this brass.
- Be aware of the legal requirements for ammunition components in your country.
- Keep brass and all reloading components out of reach of children and unauthorized users.
- Regularly check for product recalls or safety alerts through official channels.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Inspect the brass for any signs of damage, such as dents or cracks, before use.
- Ensure the reloading equipment is properly calibrated and in good working condition.
- Follow the manufacturer's guidelines for reloading data specific to the 6MM Creedmoor cartridge.
- Do not exceed recommended load limits as specified in reloading manuals.
- Avoid distractions while reloading to maintain focus and accuracy.
- Dispose of any damaged or defective brass responsibly.

## Instructions for Installation and Usage

- Read all instructions carefully before beginning the reloading process.
- Gather all necessary equipment and materials, including:
  - 6MM Creedmoor brass
  - Large rifle primers
  - Powder and bullets compatible with the 6MM Creedmoor
  - Reloading press and tools
- Prepare your workspace:
  - Ensure it is clean and organized to prevent accidents.
  - Use adequate lighting for visibility.
- Reloading steps:
  1. Inspect your brass for defects.
  2. Clean the brass if necessary.
  3. Resize the brass using a reloading press.
  4. Prime the brass using a primer tool.
  5. Measure and add the appropriate powder charge.
  6. Seat the bullet to the correct overall length.
  7. Inspect the finished cartridge for quality.
- Store completed ammunition in a safe and secure location.

## **Disposal Instructions**

- Dispose of spent primers and any defective brass in accordance with local regulations.
- Do not throw brass or ammunition components in regular trash.
- Consider recycling options for brass and metal components.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 6MM Creedmoor Large Primer Brass, please reach out to the appropriate regulatory authority or consult with a qualified professional.

By following these guidelines, you can ensure a safe and enjoyable experience with your 6MM Creedmoor Large Primer Brass. Thank you for your attention to safety.
