# Consumer Safety Instructions for .338 Lapua Magnum Brass

## Introduction

Thank you for choosing the .338 Lapua Magnum Brass Cartridge manufactured by Peterson Cartridge Co. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read these instructions carefully before use.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling and use of ammunition.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect cartridges for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Use only in firearms specifically designed for the .338 Lapua Magnum cartridge.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using damaged or corroded brass cases, as they may cause malfunctions or accidents.
- Ensure that the firearm is in good working condition and is regularly maintained.
- Do not attempt to modify or alter the brass cartridges in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free of obstructions.
- Gather all necessary tools and equipment before starting.

### 2. Loading the Ammunition:

- Carefully insert the brass cartridge into the firearm's chamber as per the manufacturer's instructions.
- Ensure that the cartridge is seated correctly and securely.

### 3. Firing the Ammunition:

- Aim the firearm in a safe direction and ensure the area is clear of any obstructions or bystanders.
- Follow the standard operating procedures for firing your firearm.

### 4. PostFiring Procedures:

- After firing, allow the firearm to cool down before handling further.
- Inspect the fired brass for any signs of damage or defects and dispose of appropriately.

## Disposal Instructions

- Dispose of used brass cartridges in accordance with local regulations.

- Do not throw brass cartridges in regular household waste.
- Consider recycling used brass through local metal recycling programs.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please refer to the product packaging or the manufacturer's website for contact details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your .338 Lapua Magnum Brass cartridges. Thank you for your attention to these important safety guidelines.
