

# 10.36X77MM BRASS - PETERSON CARTRIDGE 10.36X77MM BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

## Annealed and Ready to Load

The Peterson Cartridge Co. 10.36x77mm Brass is based on the .505 Gibbs, modified and necked down to 408 Caliber. The round was designed with a possible military need for a cartridge for anti-personnel, anti-sniper and anti-materiel roles with a (supersonic) precision range of 2,200 yards (2,000 m). Cartridge: 10.36x77mm Quantity: 50 The Peterson Cartridge Co. 10.36x77mm is annealed and final cleaned before leaving the factory. It comes packaged in a plastic ammo box to protect the cases during shipping and also for storage of loaded ammo.

## Attributes

# Safety Instruction Guide for 10.36x77mm Brass Peterson Cartridge

## Introduction

Thank you for choosing the 10.36x77mm Brass Peterson Cartridge. This guide provides essential safety instructions and guidelines to ensure the safe handling and use of this product. It is important to follow these guidelines to minimize risks and ensure a safe experience.

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store cartridges in a cool, dry place away from direct sunlight and moisture.
- Keep cartridges out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for the 10.36x77mm caliber.
- Be aware of your surroundings when using this product to ensure a safe shooting environment.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check the EU's Safety Gate platform for updates on recalls or safety alerts.

## Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition and properly maintained before use.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Do not use damaged or corroded cartridges.
- Avoid mixing different types of ammunition.
- Follow the manufacturer's instructions for loading and unloading the firearm.
- Do not attempt to modify or alter the cartridge in any way.
- Be cautious of the recoil and muzzle rise when firing.

## Instructions for Installation and Usage

### 1. Loading the Cartridge:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm.
- Insert the 10.36x77mm cartridge into the chamber or magazine as per the firearm's instructions.
- Close the action securely.

### 2. Firing the Cartridge:

- Ensure the firearm is aimed at the target with a clear line of sight.
- Check that the area is clear of other people and obstacles.
- Firmly grip the firearm and place your finger on the trigger only when ready to fire.
- Squeeze the trigger smoothly to discharge the cartridge.

### 3. Unloading the Cartridge:

- Point the firearm in a safe direction.
- Open the action and remove any cartridges from the chamber and magazine.
- Inspect the firearm to ensure it is completely unloaded.

## **Disposal Instructions**

- Dispose of used cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash; check for designated disposal locations.
- If cartridges are damaged or defective, consult local authorities for safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 10.36x77mm Brass Peterson Cartridge, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 10.36x77mm Brass Peterson Cartridge. Thank you for your attention to safety!
