

6.5MM CREEDMOOR BRASS - PETERSON CARTRIDGE 6.5 CREEDMOOR LARGE PRIMER BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Idea Brass for the Popular 6.5 Creedmoor

The popular 6.5 Creedmoor is now available from Peterson Cartridge Company. The cartridge is ideal for long range precision shooting. Its light recoil and slightly shorter case design allows use of longer, lower drag bullets to be used and still be fed from a magazine. The brass is available with either a standard large rifle primer pocket or a small rifle primer pocket. Cartridge: 6.5 Creedmoor Quantity: 50 or 500 All Peterson Cartridge Company brass is annealed and polished.

Safety Instruction Guide for 6.5MM Creedmoor Brass Peterson Cartridge

Introduction

Thank you for choosing the 6.5MM Creedmoor Brass from Peterson Cartridge Company. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before handling or using the cartridges.

General Safety Guidelines

- Ensure that all users of this product are familiar with firearms safety and handling.
- Always treat every firearm as if it is loaded.
- Store cartridges in a cool, dry place, away from direct sunlight and heat sources.
- Keep cartridges out of reach of children and unauthorized users.
- Regularly check for any recalls or safety alerts regarding this product on the EU's Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure your firearm is compatible with 6.5 Creedmoor cartridges before use.
- Do not use damaged or defective cartridges. Inspect cartridges for any signs of damage before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use cartridges only in firearms designed for their specific caliber.
- Avoid excessive exposure to the cartridges, as prolonged handling may lead to skin irritation.

Instructions for Installation and Usage

- Before loading, ensure that the firearm is pointed in a safe direction and that the safety is engaged.
- Load cartridges into the magazine according to the manufacturer's instructions for your firearm.
- When ready to shoot, disengage the safety and aim at the target.
- Take your shot, and then reengage the safety when finished.
- After use, unload the firearm in a safe environment, ensuring no cartridges remain in the chamber or magazine.

Disposal Instructions

- Dispose of any unused or damaged cartridges in accordance with local regulations.
- Do not throw cartridges in regular household waste.
- Contact local waste management authorities for proper disposal methods for ammunition.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 6.5MM Creedmoor Brass Peterson Cartridge, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
