

7MM-08 REMINGTON BRASS - PETERSON CARTRIDGE 7MM-08 REMINGTON BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Quality Brass for Your 7mm-08 Remington

The 7mm-08 Remington is a direct comparison to the 1958 Wildcat known as the 7mm/.308. It is a .308 Win case necked down to .284 then lengthened. This cartridge is finding its place in the long-range target shooting and hunting world, and because of this, is now available from Peterson's Cartridge Company. Cartridge: 7mm-08 Remington Quantity: 50 Annealed and Cleaned before leaving the factory Heavy-duty plastic packaging for protection and storage The 7mm-08 Remington has a longer range than the .308 Win with less recoil.

Safety Instruction Guide for 7MM08 Remington Brass Peterson Cartridge

Introduction

Thank you for choosing the 7MM08 Remington Brass from Peterson Cartridge Company. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. Please read this guide thoroughly before use.

General Safety Guidelines

- Always treat every cartridge as if it is loaded.
- Store cartridges in a cool, dry place, away from direct sunlight and moisture.
- Keep cartridges out of reach of children and unauthorized individuals.
- Inspect cartridges for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use only in firearms that are specifically chambered for the 7MM08 Remington cartridge.
- Ensure that you are using the correct firearm for this cartridge to avoid accidents.

Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when shooting.
- Ensure the firearm is pointed in a safe direction at all times.
- Never place your finger on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.
- Do not attempt to modify or alter the cartridge in any way.
- If a cartridge does not fire, wait at least 30 seconds before attempting to remove it from the chamber.
- Always follow the firearm manufacturer's instructions regarding ammunition.

Instructions for Installation and Usage

1. Check Compatibility:

- Confirm that your firearm is chambered for the 7MM08 Remington cartridge.

2. Loading the Firearm:

- Open the action of your firearm.
- Insert the cartridges into the magazine or chamber as per the manufacturer's instructions.
- Ensure the cartridges are seated properly to avoid jams.

3. Firing the Cartridge:

- Close the action of the firearm.
- Aim at the target, ensuring a clear line of sight.
- Engage the safety mechanism if applicable.
- When ready, take off the safety and gently squeeze the trigger.

4. PostFiring:

- After firing, open the action to eject spent casings.
- Inspect the firearm and cartridges for any malfunctions or issues.
- Store any unused cartridges safely.

Disposal Instructions

- Dispose of spent cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash; check for local recycling programs or hazardous waste facilities.
- Ensure that all cartridges are completely empty before disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 7MM08 Remington Brass, please reach out to the appropriate local authorities or consult your firearm manufacturer.

By following these safety instructions, you help ensure a safe and responsible experience with your 7MM08 Remington Brass. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Peterson Cartridge Company.
